

Granby Tabletop Clock 645781

TABLE CLOCK: The Granby Alarm & Table Clock is a jade glass clock that features a curved top, tapered sides, and beveled base with side and center panels to complement your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more to fit in a small space for a clean look.

HIGH QUALITY: This clean design shows traditional Roman numerals, with IIII instead of IV, to become a home essential. Easily tell time with black hour, minute and second hands, silver alarm hand, glass crystal, and a polished silver-tone bezel to stand out over a white dial.

MOVEMENT: It is powered by quartz and alarm movement, and requires one AA sized battery.
