PAIRING REMOTE TO BASE

How to pair:

Press and hold the button of Head down+foot up(No.3+2), when the buzzer sounds, the pairing is done.

- * The pair key of the control box has a reset function;
- * The control box is powered on and to reset, and the reset process cannot be interrupted by any key.

SYNCING 2 BASES TO ACT AS ONE

Please repeat the operation as" Pairing remote to base" one more time to the bed you want to sync.
