

# DUAL-ZONE WINE & BEVERAGE COOLER

## TRD20B8AS

WINE AND BEVERAGE COOLER

20 Wine Bottle and 78 Can Capacity

### Dual Temperature Zones

Keep your favorite red and white wines at the perfect temperature while storing your favorite beverages for an overall refreshing experience.

### Built-in or Freestanding

Reach cooler temperatures more quickly and consistently without any harsh noises or heat spikes.

### Stainless-Steel Trim

Showcase your wine and beverages in an elegant stainless-steel design for the perfect blend of sleek and functional design.

### High Capacity and Precise Control

Stores up to 20 bottles of wine and 78 cans with temperature settings from 40°F - 66°F on the left and 38°F - 66°F on the right.

### Soft interior LED lighting:

Illuminates your collection beautifully without affecting temperature.

### Double Panel UV Resistant Glass

Improved insulation and UV protection keep your wine and beverages chilled and tasting the way they were intended.

With a lineup of award-winning televisions, audio products, mobile devices, and appliances, TCL delivers meaningful experiences through thoughtful design and the latest technology, helping you enjoy more of the things you love.
