Securing the furniture to the wall is highly recommended for your safety. Furniture tipovers can result in serious injuries or even fatal accidents. To prevent such risks, please ensure your furniture is securely fixed to the wall. Please note that fixing devices are not included in the package, as different wall types require different solutions. Use suitable fixing devices that you trust. If you are unsure which devices to use, we recommend consulting your local dealer for guidance. Do not undo or remove the drawer locking system.
