In a softly rounded form, the Affinity Bachelor's Chest combines a greige sand-blasted finish on Quartered Oak veneers with fabric-wrapped drawer fronts and cream and pewter bar pulls for a serene appeal. With three drawers, the top drawer has a drop-in felt liner, and there's a 3-stage touch dimmer. Fabric on the drawer fronts is a linen-polyester blend. Soft, rounded forms combine with sand-blasted greige and antique white finishes to create an inviting transitional boutique collection in Affinity. The main finish for the 20-piece collection of bedroom, dining room, occasional, accents and home entertainment is a wire-brushed greige (gray/beige) on quartered white oak. Pewter and antique white hardware and soft linen fabrics add intrigue.
