

60" HIGH SPEED ADJUSTABLE STAND UP DESK (SILVER FRAME/DARK WALNUT TOP)

The high speed adjustable standing desk gives users the ability to find that ergonomic balance between sitting and standing throughout the workday. Now available with a high-speed crank operated lift mechanism, the turn-handle quickly moves the desk from the lowest to highest positions within seconds without requiring electric power.

The generous 59" x 29.5" work surface easily fits triple monitors plus a full-sized keyboard and mouse while the height adjustment range accommodates taller and shorter users. Each desk includes a choice of leveling glides as well as 3" casters, two with locking brakes, allowing for easy maneuverability to suit ever-changing workspace needs.

Enjoy the health benefits of standing while increasing focus and productivity with a high-speed crank adjustable desk from Luxor.
