

Technical drawing of a pyramid. The front view is a triangle with a base of 62" and a height of 31". The top view is a square with a side length of 45 1/8". The drawing includes a cross-section of the pyramid, showing the internal structure and the angle of the slope. The cross-section is a right triangle with a base of 45 1/8" and a height of 22 1/2". The angle of the slope is labeled as 45 degrees. The drawing also includes a small detail of the pyramid's base, showing a square with a side length of 8 1/2".

A diagram of a rectangular plate with a width of 1 inch and a height of 31 inches. The dimensions are indicated by dashed lines and arrows. The width is labeled "1" at the top, and the height is labeled "31" on the right side.
