## Walnut Grove Spindle Bench Walnut Grove Spindle Bench

New to our Walnut Grove collection, the Spindle Bench can live in an entryway, at the foot of a bed, or alongside a dining table. Its tight upholstered seat is supported by a tall-legged base sculpted from American black walnut, and pill-shaped spindles capture the unmistakable mid-century modern style that has made Walnut Grove a perennial Stickley best-seller.

SKU: 9939-F-WNT
