This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there is any technology or software updates on our product.

WARNING: To reduce the risk of injury, the user must read the instructions manual carefully.

1.Use as intended only. The mechanics tool set is not a toy, and it cannot be played by children to prevent children from eating it by mistake.

2.The mechanics tool set cannot be used to injure people maliciously.

3.Flammable: Keep away from open flame. This product box will ignite and burn if brought into contact with an open flame.

4.Keep away from sharp points, blades and other items, so as not to scratch the product box.

MECHANICS TOOL SET

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and doses not necessarily mean to cover all categories of tools offered by us.
You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.
