

Cotton Duvet Instructions

Our cotton duvets are made in Europe and designed to offer soft, breathable and comfortable sleep. With a natural cotton outer and a cosy polyester hollow fibre filling, this duvet is a great choice for customers who want a fresh, light and easy-to-use duvet for everyday comfort.

The cotton outer helps with breathability, allowing air to circulate more naturally while you sleep. This makes it a practical option for customers who prefer a duvet that feels comfortable without being overly heavy or too warm.

Product Specifications

Product Type: Cotton Duvet

Country of Manufacture: Europe

Outer Material: Cotton

Filling: Polyester Hollow Fibre

Feel: Soft, breathable and comfortable

Comfort Type: Lightweight, cosy sleep comfort

Ideal Use: Main bedrooms, spare rooms, guest rooms and everyday use

Comfort & Breathability

The natural cotton outer helps the duvet feel fresh, soft and breathable throughout the night. Cotton allows better airflow than many heavier duvet covers, helping to create a more comfortable sleep environment.

The polyester hollow fibre filling gives the duvet a cosy, lightweight feel, offering warmth and comfort without feeling too dense or heavy. It is a practical choice for everyday use in Irish homes, especially for customers looking for a soft and easy-care duvet.

Delivery Information

Delivery is normally 3–5 working days, if not sooner.

All orders are delivered by An Post, and a tracking number will be provided once your order has been dispatched.

Free nationwide delivery is included.

Warranty Information

This product is covered against manufacturing defects.

Manufacturing issues are very rare. Any concerns will be assessed and dealt with on a case-by-case basis.

The warranty covers manufacturing faults only and does not cover issues caused by misuse, accidental damage, incorrect care, washing damage, or general wear and tear.

Care Instructions

To keep your cotton duvet in good condition, always follow the care label attached to the product.

We recommend using a duvet cover to protect the duvet from everyday use and airing it regularly to help keep it fresh. Avoid harsh detergents, bleach or chemical cleaners unless the care label clearly states they are suitable.
