

Wooden Four in a Row

1. Set up the game by sliding the game board out of the game set.
2. Place the game board standing upright, with the holes at the top, in the middle of the game set, using the wooden grooves in the game set as a guide.
3. Place all the red game pieces in one side of the game set, and all the black game pieces in the other side of the game set.
4. Taking turns inserting one game piece into one of the top holes, the object of the game is to get four of their colored pieces in a row, either horizontally, vertically or diagonally.

Warning:

Game contains small pieces. Not for use by children under 3 years old.

Made in China.
