Sofa

Before Assembly

Thank you for choosing our product!
To ensure a smooth installation process, please read this guide carefully to familiarize yourself with the required tools, materials, and installation steps.
Follow the relevant sections to avoid any damage caused by improper installation, and make sure to review all operation and safety guidelines for correct installation procedures.

Packaging Notice:

1. Multi-Box Shipping Notice

This product is packaged in 3 separate boxes for shipping and may arrive in batches at different times. To ensure a smooth assembly process, please make sure all boxes are received before unpacking and starting the installation.

2. Box and Packaging Verification

Each box is labeled with a corresponding number. Please refer to the packing list on the next page of this manual to verify that all boxes have been received.

If you find any missing boxes, damaged parts, or accessory shortages, please contact the customer service team of your purchasing channel immediately. We will resolve the issue as quickly as possible.

Installation Information

- All information in this guide is based on the product's condition at the time of printing. We reserve the right to modify product features, packaging, or availability without prior notice.
- Before installing the furniture, ensure that all necessary electrical or environmental preparations are completed.
- This manual contains important instructions on installation, cleaning, and maintenance. Please read it thoroughly and keep it for future reference.

Pre-Installation Checklist

1. Carefully inspect the new product for any damage or defects.
2. Ensure installation is carried out on a clean, flat surface to maintain balance and stability.

Email : **service@grandtunnel.com**

EN

3. Avoid prolonged exposure of the product to damp environments or direct sunlight.
4. Handle with care during installation. Use protective materials (e.g., soft pads) to prevent scratches.
5. For any questions or technical support, refer to the customer service guide and contact the seller's customer service.

Usage and Maintenance Recommendations

1. Clean furniture regularly to maintain hygiene and prevent bacteria growth. Use a damp cloth that has been wrung out to avoid scratching the finish.
2. Avoid contact with acidic or alkaline corrosive liquids.
3. Do not use unauthorized replacement parts. For replacement parts, contact the manufacturer or distributor.
4. Do not machine wash or rinse any part of this product with water.

Safety Warnings

1. Warning Labels:

Do not remove warning labels on the product or packaging, and always follow the related instructions.

2. Regular Inspections:

Regularly check all parts of the product to ensure they are correctly installed, undamaged, and all connectors are securely tightened.

3. Safe Use:

Do not play on or under the sofa, and strictly avoid jumping or any actions that may harm the sofa or users.

4. Rope Hazard:

Do not attach ropes, hooks, straps, or other unintended items to any part of the product.

5. Guide Preservation:

Retain this manual for future reference.

Email : **service@grandtunnel.com**

6. Supervisory Responsibility:
Safety is a shared responsibility between the manufacturer and the user.
Always adhere to safety guidelines when using the product.

Disclaimer

We are committed to providing safe and reliable products. If you have any questions about this product or require additional support, please contact our customer service team. We are here to assist you.

Safety Instructions / Warnings

Please read and follow all instructions carefully before installation and use.

WARNING:
Risk of electric shock – Do not open or disassemble electrical parts.

- **Use only the power cord specifically provided for this product.**
  Adaptor Input: 100-240V~, 50/60Hz, 1.5A. Output: DC 29V, 2.0A, 58W.
  USB Output: DC 5V, 2A.
- Do not use with damaged power cords or plugs.
- Keep power cables away from moving or sharp parts of the furniture.
- Do not use extension cords or power strips unless specifically approved for the load.
- This product is **not a toy**. Do not allow children to play with electrical components or moving parts.
- Children under 8 years old must be kept away from the furniture unless continuously supervised.
- Keep remote controls, control switches, and ports out of children's reach.
- Always **disconnect the product from power** before cleaning, maintenance, or relocation.
- Do not attempt to open, modify, or repair electrical components.
- **Repairs must be performed by qualified professionals only.**
- Do not insert any foreign objects into openings or mechanisms.
- Clean with a dry cloth or a slightly damp soft cloth. Do not use solvents.
- This product is intended **for indoor** use only in dry environments.
- Do not expose the furniture to moisture, liquids, or direct sunlight.
- * Ensure stability and clearance around any moving parts (e.g., lift mechanisms, recliners).
- Do not overload power outlets or USB ports beyond the specified ratings.
- **Always unplug the product when it is not in use.**

FCC Information:

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1) This product may cause harmful interference.

2)This product must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this product not expressly approved by the party. responsible for compliance could void the user's authority to operate the product.

Note: This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules, These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

Customer Service Guide

Thank you for choosing our product! We are committed to providing you with excellent service. If you find any missing parts, damaged packaging, or product damage after receiving all packages, please follow the steps below to quickly contact our customer service team. We will do our best to resolve your issue.

1. Missing Parts

Verify Parts:

1. Refer to the “Parts List” in the manual to verify the name, specifications, and quantity of the missing parts.
2. Take a clear photo of the parts list and mark the missing parts with detailed information, e.g., “Missing 5 pieces of M6×30mm screws.”

Contact Us:

By Email:

Send an email to **service@grandtunnel.com**, with the subject line “Missing Parts Issue.” Include the following in the email:

- A description of the missing parts and a photo of the parts list.
- Order details (order number, purchase platform, purchase date).

2. Product or Packaging Damage

If it affects normal use:

Steps:

1. Take clear photos or videos showing the damaged parts and the extent of the damage (multi-angle shots are recommended).
2. Email the photos/videos along with order details to **service@grandtunnel.com**, with the subject line “Product Damage Issue.”

Resolution:

After verification, we will arrange for a replacement part, product exchange, or refund as quickly as possible.

If it does not affect normal use:

Steps:

1. Contact our customer service team (by email: **service@grandtunnel.com**).
2. Provide a description of the damage and include relevant photos or videos.

Resolution:

We will provide repair guidance or an appropriate compensation plan based on the specific situation.

Assembly Instructions

Important : Please read these instructions fully before starting assembly.

Note :

Delivered with 3 PACKAGES with 3 TRACKINGS, may NOT be deliverded at the same time.

Before starting assembly, determine where the sofa will be placed and the orientation you want it to be.

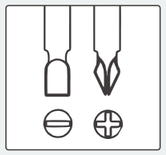

2 people needed

Work gloves

Tape measure

Other Tools Required
Phillips Screwdriver
(Not Included)

Simple Assembly Steps

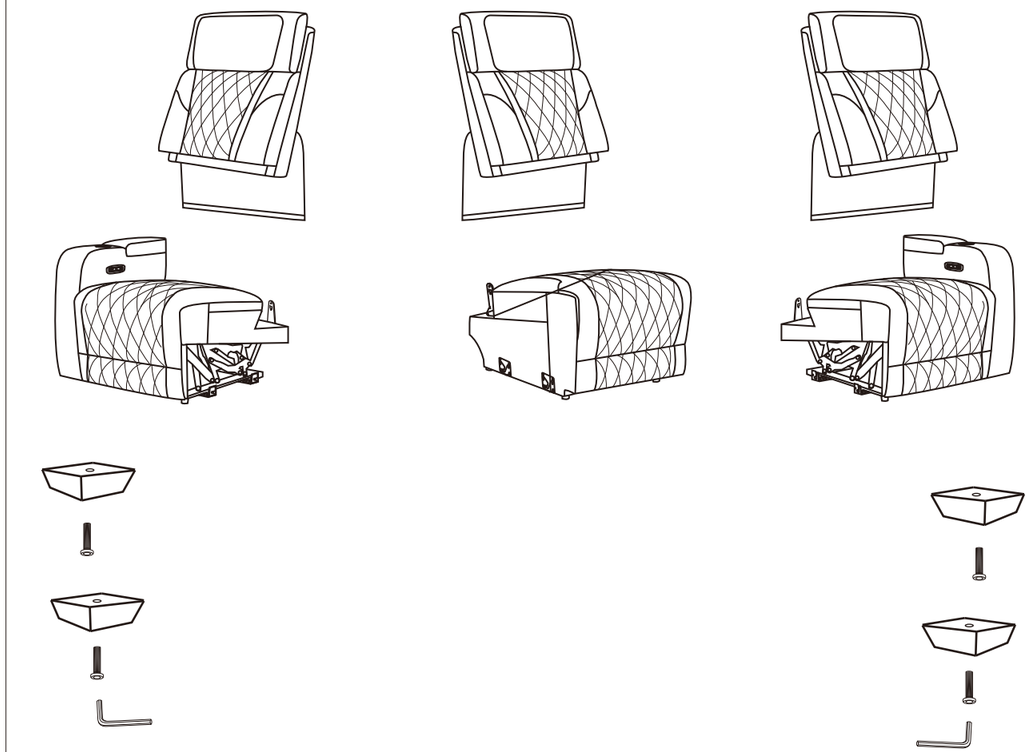

1. Read the manual carefully.
2. Check all parts and hardware.
3. Prepare necessary tools.
4. Have at least two adults for assembly.

Please follow the instructions and use a sanitary napkin to protect the product during your assembly process.

Note:
1. The assembly should be done on a flat surface to maintain balance.
2. Do not tighten the screws before the assembly is complete.
To make the assembly process easier and better, two or more adults are needed.

Step 1

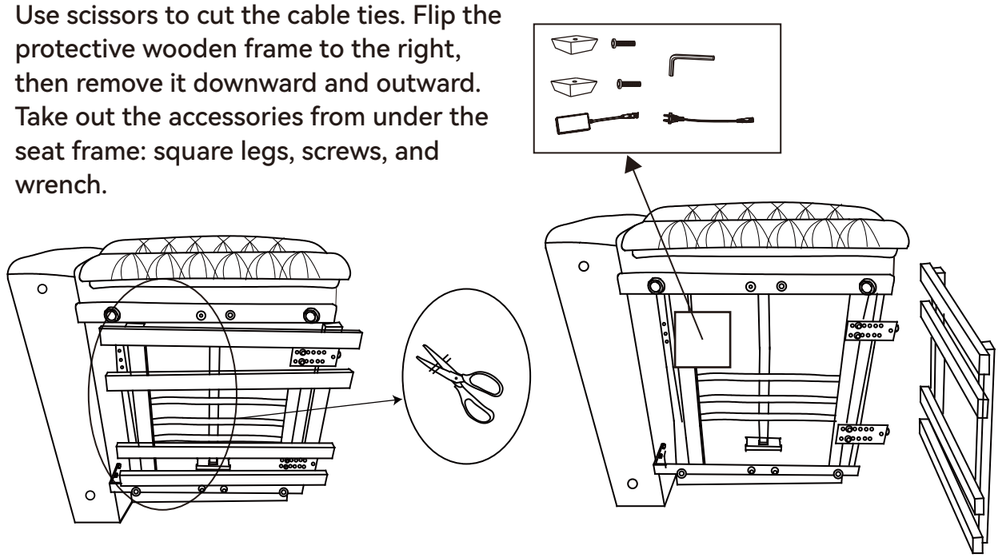

Remove the safety feet by turning counterclockwise.

Note:
Make sure to keep the power cord out of the way during installation.

Step 2

Use scissors to cut the cable ties. Flip the protective wooden frame to the right, then remove it downward and outward. Take out the accessories from under the seat frame: square legs, screws, and wrench.

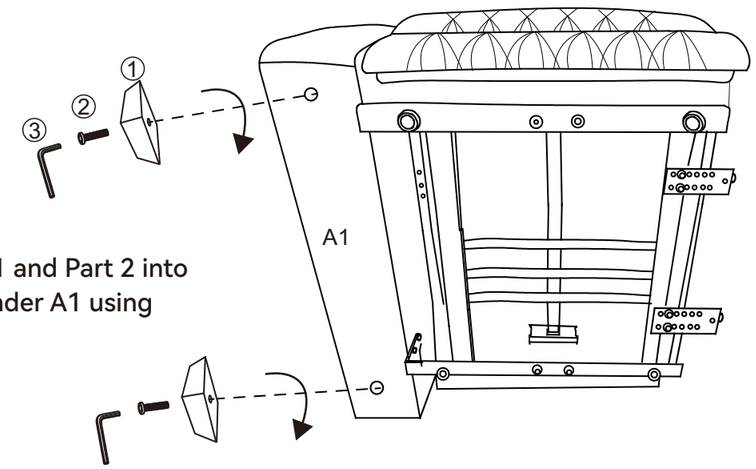

Note:
Ensure the plug and socket are properly aligned before connecting to avoid damage.

Email : **service@grandtunnel.com**
