Product manual

General Information

This sofa is suitable for both indoor and outdoor use.Its cushion is made of sponge and comes in a compressed package, while the cover is sewn with waterproof fabric.

Outdoor Use Precautions

-Ground Condition: When using the sofa outdoors, ensure the ground is dry.Avoid placing it on wet or water -logged surfaces.If the ground is damp, use a waterproof mat underneath.

-Water Exposure: The sponge has basic water - resistance,but it should not be exposed to rain. Use it under a rain shelter or umbrella. If used in the open air, cover it tightly witha waterproof cover immediately after use.

Recovery Time

Since the sofa is made of fully compressed sponge, it will take more than 48 hours, and possibly up to 72 hours, to regain its original shape after unpacking.

Maintenance

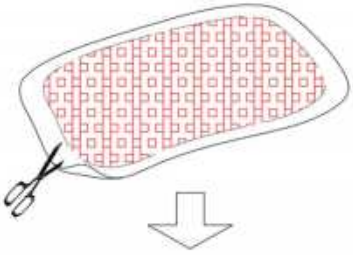

-Sun Protection: After use, cover the sofa with the sofa cover to prevent fading and sponge aging caused by sun exposure.

Avoid Sharp Objects: Keep sharp objects and pets away to prevent the waterproof fabric from being scratched.

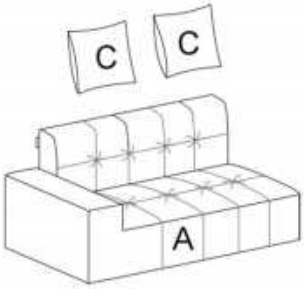

- Cleaning: In case of dirt, clean the sofa with a soft brush and mild soapy water. Then, usea towel to blot dry. Do not wash it directly with water.

step 1 —Cut the air-compressed bags

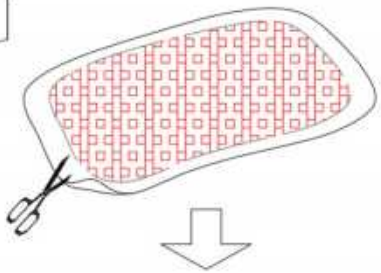

This series is made entirely from air-compressed foam. The sofa may feel too soft or under-inflated immediately after unpacking. Please allow at least 72 hours for the foam to fully expand and regain its intended shape and firmness before use.

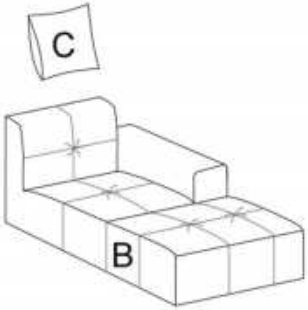

Please exercise caution when opening the packaging to avoid injury or damage to the product.

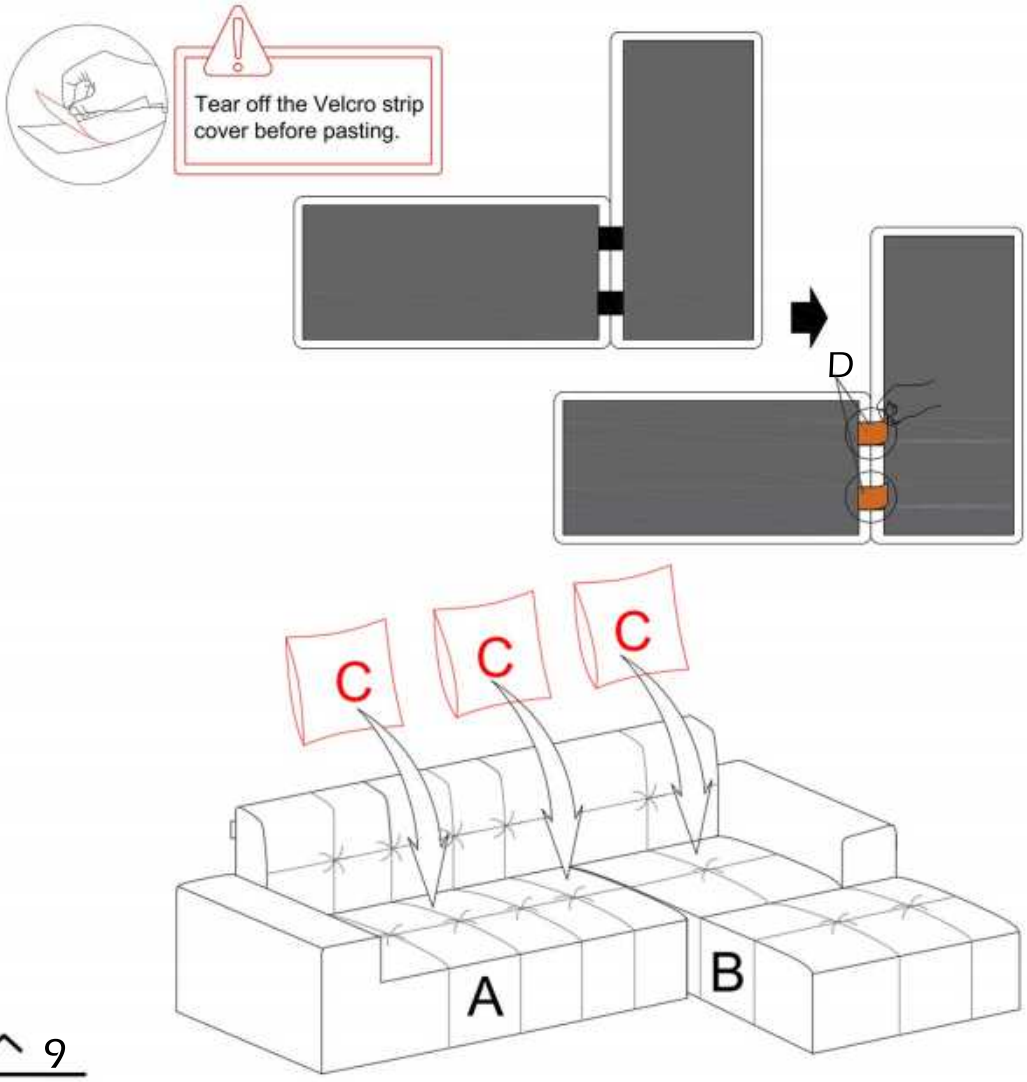

Use care when opening the bag to avoid injury from sudden expansion. Keep away from face and body while cutting.

step 2 —Attach Velcro and place the pillows

Each carton includes a piece of felt fabric. Attach it to the Velcro strips at the bottom of the sofa to connect the individual modules together. If you are using a single sofa module and do not need to combine multiple pieces, this felt fabric is not required.Place the pillows (C) on it.

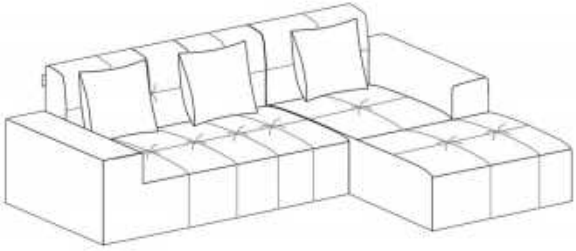

step 3 —Put on the cover.

NOTICE

The product requires at least **72 HOURS** to return to its original shape after being removed from the air compression bag.

The restore period is **IMPORTANT** for the product please try not to use it while restoring.

You can cover the product with the Dust Cover when not use.
