

Palermo Tabletop Clock 645769

TABLE CLOCK: The Palermo Table Clock features high-glass rich walnut veneered finish on front and back and black piano finish on the sides to complement your home decor. The clock's movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bedroom, living room, mantel, and more.

HIGH QUALITY: The classic design is a handsome home essential with a chrome-plated metal base. Easily tell time with black Roman numerals, black hands, silver seconds hand, glass crystal, and polished silver-finished bezel to stand out over a white dial.

MOVEMENT: It is powered by a quartz movement and requires one AA sized battery. The felt bottom will protect your desk or tabletop.
