Neo Terracotta 2

D2793S55854-4695

Neo Terracotta 2, evokes the signature style of the renowned American Abstract Expressionist, Robert Rauschenberg. Here, a strong color field dominates the picture plane while a more minimalistic overall scene is offered. Geometric forms, hash marks, and subtle lines dot the field while whimsical drawings add a playful feel. The main color palette relies on salmon while pops of sienna, peachy grey, and bubble-gum pink draw the viewer into this nuanced work. A thought-provoking work of art on canvas, Neo Terracotta 2 is a remarkable addition to ART by TA. Pairs beautifully with Neo Terracotta 1.
