

LED Wall Scone

This energy-efficient LED wall scone features a sleek, modern design with durable metal construction for long-lasting performance. The opal acrylic shade provides soft, uniform illumination, while the integrated LED module offers maintenance-free operation. Available in a 10-inch size, it features 3CCT selectable technology (3000K, 4000K, and 5000K), smooth dimming from 10% to 100%, and flexible vertical or horizontal installation. Damp-location rated and backed by a 5-year limited warranty.

Application: Living rooms, bedrooms, hallways, offices, lobbies, and other residential and commercial spaces.

Specifications

Power	15W
Size	10"
Lumens	1050LM
Max input current	0.19A
Input Voltage	120 V
Housing	Brushed Nickle Steel+Acrylic Lens
Dimming	Triac Dimming (10%-100%)
Protecting Rating	IP20 (For indoor use ONLY)
Power Factor	0.9+
Beam Angle	120°
CCT	3000K/4000K/5000K Selectable
CRI	80+
Surge protection DM/CM	1.25 kV / 1.25 kV
Working Life	Lumen Maintenance over 70% @50,000+ hours
Oper. Temperature	-4°F to 113°F (-20°C to 45°C)
