FLOOR LAMP

Assembly Instructions

STEP 1

Assemble the **fixture** by screwing the parts together until it is secure taking care not to over tighten or to tangle or twist the branch wires.

Attach the **harp** into the **fixture**. Place the **shade** on top and complete the assembly with the **finial**.

Install a bulb (not included).

As you assemble the light fixture, pull the power cable from the base to eliminate any excess cable length that may occur.
