## INSTRUCTIONS

Thank you very much for choosing this

- Please read all of the instructions before using it. The information will help you achieve the best possible results.

The products carried in this catalog may be different in color than the actual item.

## SAFE INSTRUCTIONS

**: Please read this user manual carefully !**

### Assembly Precautions

1. Carefully check the box for any damages. If damaged, please take a photo for your record and contact our service team for help.
2. It is dangerous if not installed correctly. Fasten all screws, nuts before using it.
3. Please assemble according to these instructions. Improper assembly can create hazards.
4. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
5. Keep assembly area clean and well lit.
6. Keep bystanders out of the area during assembly.
7. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
8. Weight capacity and other product capabilities apply to properly and completely assembled products only.
9. Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded workbench.
10. Please do not discard the box until after you have finished assembling the workbench.

11. When using the workbench, ensure all casters are locked to avoid any mishaps. Unlocked casters can be very dangerous.

### **Use Precautions**

The manual contains very important safety information, please read it carefully before assembling it and keep it safe for future reference.

1. Do not attach or mount this product to a vehicle. This may cause personal injury or product damage.
2. Do not stand or step on this product. You may fall which may cause personal injury.
3. Keep the product on level surfaces. The product may become unstable and tip if stored or moved on an unlevel surface, which may cause personal injury or product damage.
4. Lock the drawers before moving this product. The drawers could come open and make the product unstable and tip, which may cause personal or product damage.
5. Keep children and bystanders away while loading, unloading and moving the product.
6. Do not lift the product directly with a forklift or tow with any mechanical devices.
7. Do not exceed the maximum load capacity, including contents. Do not exceed the maximum load capacity of each drawer. Do not exceed the maximum load capacity of each tray.
8. Do not alter this product in any manner.
9. The box contains some small components; please place them properly before installation to keep them away from kids and ensure safety.
10. Before installing the socket, the desktop should be cleaned to ensure that there are no stains on the desktop. In particular, attention should be paid to not bringing water into the socket so as to avoid safety problems during subsequent use.

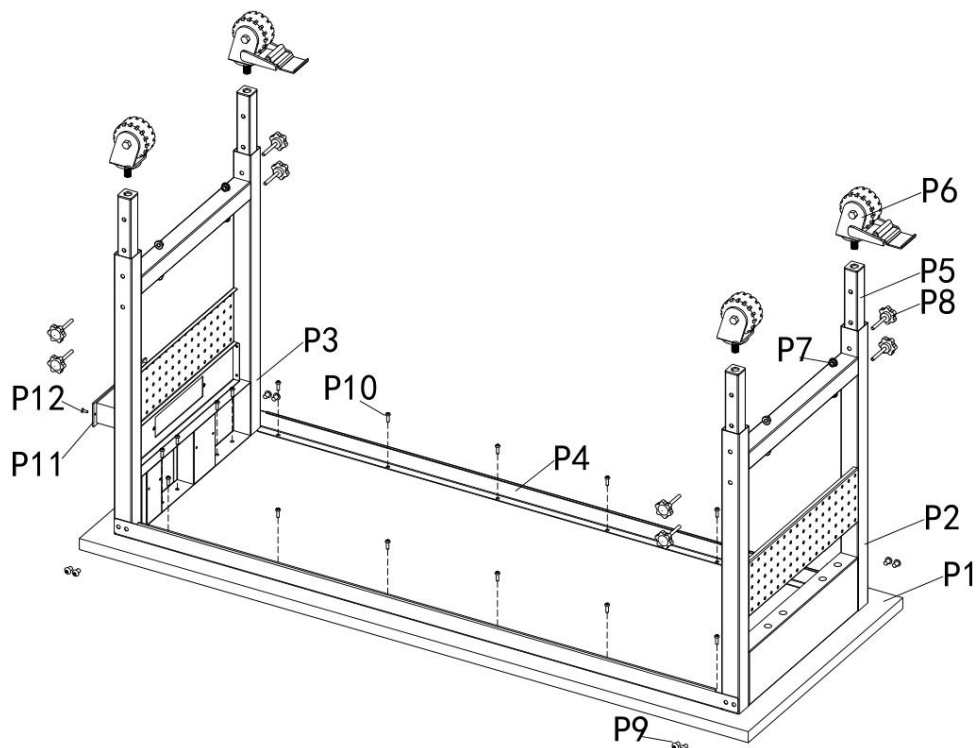

**CAUTION:** Carefully read instructions and procedures for safe operations.

## MODEL AND PARAMETERS

Model		
PLUG TYPE	US	EU,AU
Power Strip	120V~, 60HZ	220V~240V , 50/60HZ
Desktop Size	60"x24"	
Table Height	28"~39.5"	
Maximum Load	1500lbs	
Wheels	Included(4pcs)	

## Part list:

S/N	Description	QTY
P1	Wood Board	1
P2	Left Leg	1
P3	Right Leg	1
P4	Support	2
P5	Leg Extend	4
P6	Caster	4
P7	M8 Nut	8
P8	M8x50 Plastic Screw	8
P9	M8x12 Screw	8
P10	M5x12 Screw	22
P11	Power Strip	1
P12	M4x12 Screw	2

S/N	Description	QTY
A1	Drawer Left Panel	1
A2	Drawer Right Panel	1
B	Drawer Front Panel	1
C	Drawer Bottom Panel	1
D	Drawer Partition	2
E	Drawer Behind Panel	1
F	M4x6 Screw	32
G	M4 Nut	32
H	M6x12 Screw	8
I	Handle	2
J	M4x5 Screw	4
K	PVC mats	1

## ASSEMBLY AND USE

### Tips:

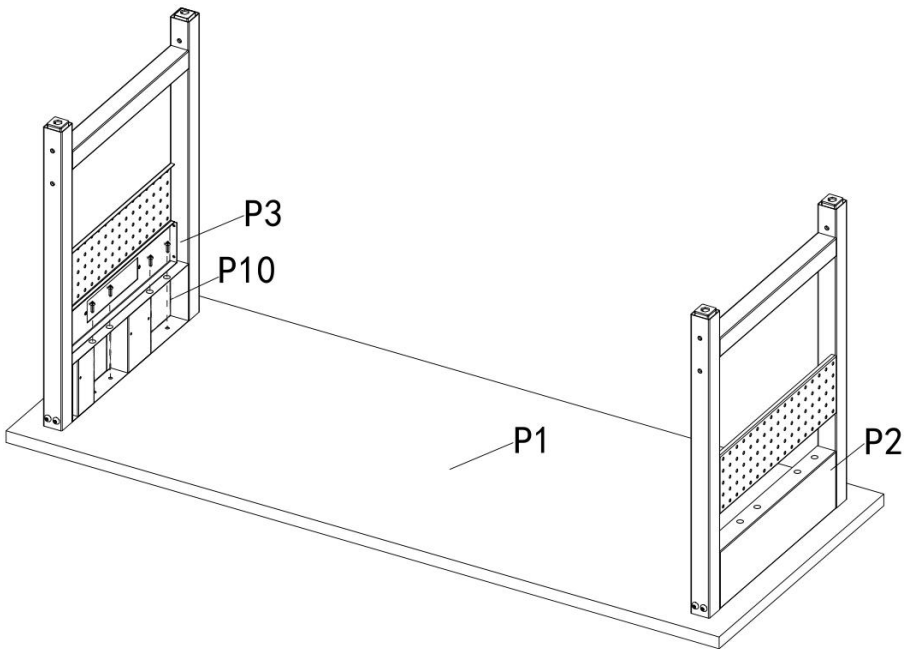

1)Do not fasten all screws and nuts tightly, you may need to rework if you make a mistake.2)We recommend 2 adults are required to complete the installation.3)In order to prevent the leg extension from dropping into the leg,we have installed 1 pc M8\*25 screw into the aligned hole between leg and led extension for each leg.

1.Fasten legs to the wood board.

A)Place the wood board on a clean surface(floor).To protect the wood board, we recommend you use a soft cloth or box on the floor.

B)Please make sure the mounting holes are aligned with the holes in the board, and that the legs are symmetrical

C)Use 8pcs M5x12 screws to fasten 2 legs to wood board.

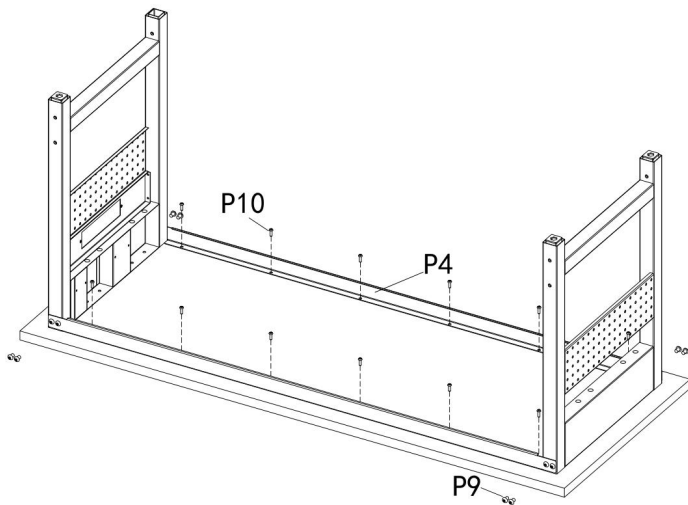

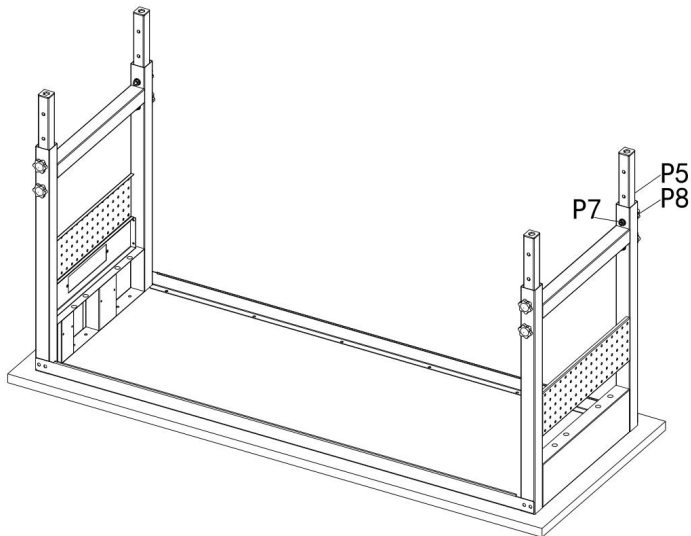

2. Fasten support to wood board and legs

A) Fasten support to leg, use 8pcs M8x12 screws .

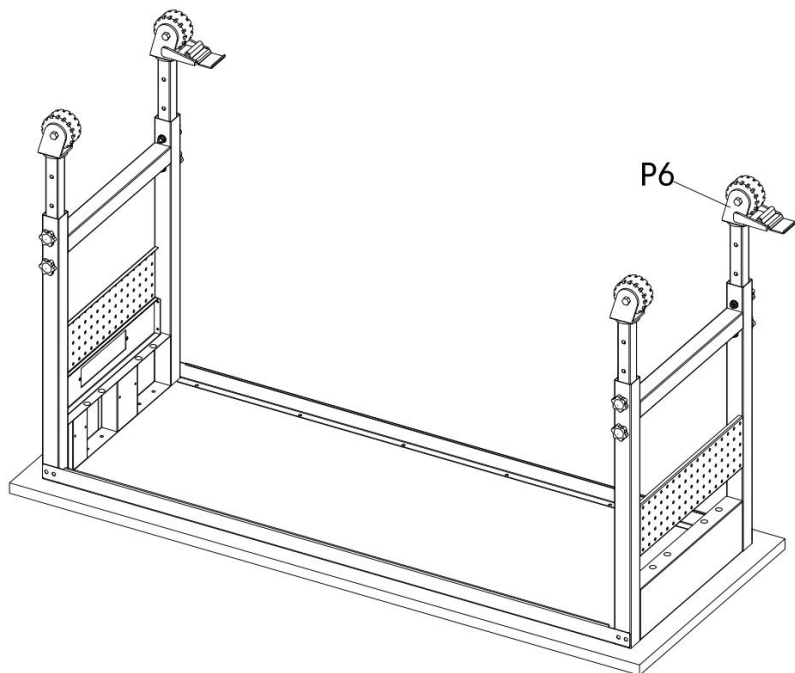

B) Fasten support to wood board, use 12pcs M5x12 screws

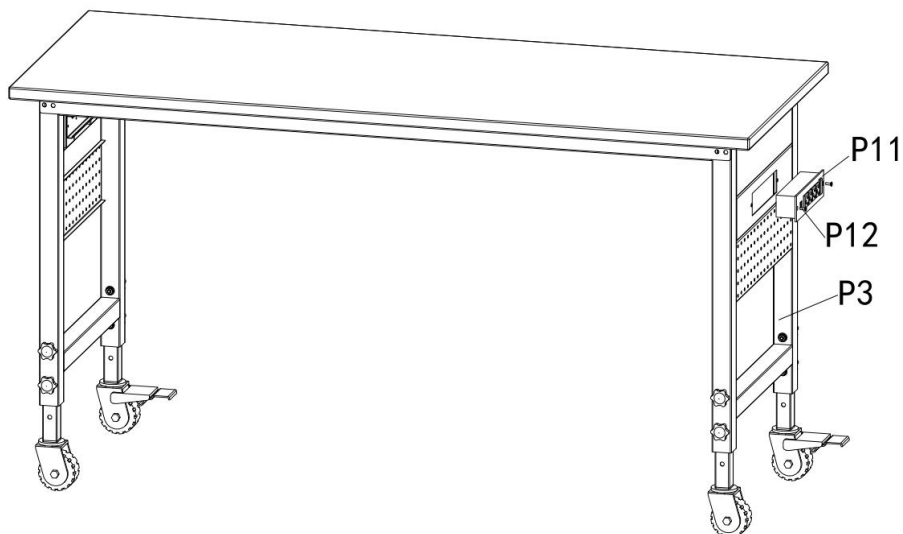

3. Fasten leg extensions to legs and adjust to same height. Use 8pcs M8x50 plastic screws and 8pcs M8 nuts to fasten them. (If you can't pull out the leg extension, please use caster to screw into the bottom of leg and then you can pull out the leg extension)

#### 4. Install casters on leg extend

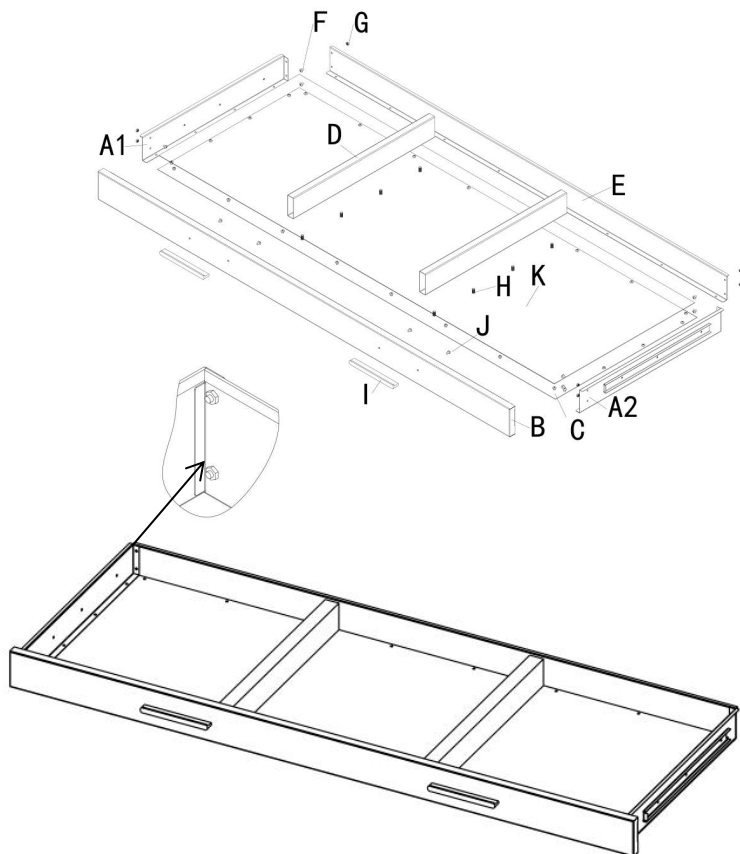

5. Tighten all bolts and nuts, reverse the workbench.  
As the below picture, using M4X12 screw to fix P11 to P3.

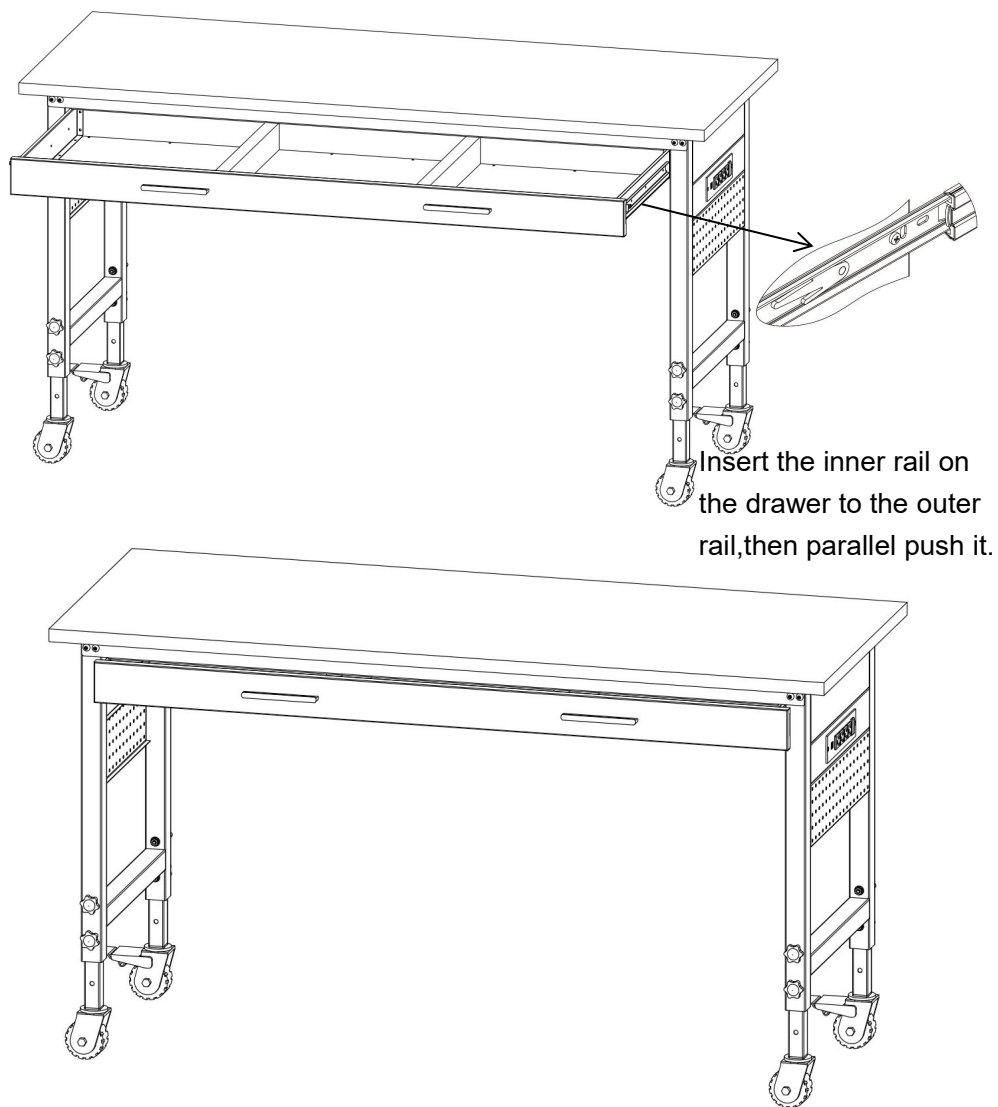

## 6 . Assemble the drawer

- ① As the below picture, using M4X6 screw and M4 nut to fix A1,A2 to C
- ② As the below picture, using M4X6 screw and M4 nut to fix B to C
- ③ As the below picture, using M4X6 screw and M4 nut to fix E to C
- ④ As the below picture, using M4X5 screw to fix I,J to B
- ⑤ As the below picture, K to lay above C
- ⑥ As the below picture, using M6X12 screw to fix D to C

7. Tighten all screws and nuts, install the drawer to workbench, then Finish. For workbench with drawer, the side board and rail were pre-installed at the production factory

**WARNING:**

For workbench with drawer, please make sure the drawer is correctly installed, do not place heavy tools or items inside, it may destroy the drawer.

**Photo for reference****Maintenance**

1. Please try to avoid putting wet items on desktop.
2. Dust off regularly with a clean rag, and arrange items neatly on desktop.
3. Don't let it sit in the sun for too long.
4. Check the table regularly to prevent screws from loosening and falling off.
