### Waycroft Media Console

Item #:305-661

#### DESCRIPTION

Traditional designs and media function pair well together with an open compartment (41W x 5H) making room for a sound bar, and two doors below with an adjustable shelf for components. The right and left doors open to two adjustable shelves with grommets for wire management and ventilation to provide air circulation for the electronics. For an additional charge, consider adding the Sligh StrongArm as your TV mount, with pivotal options to avoid direct sunlight and attractive wire management, all while keeping your surface clear.

#### DIMENSIONS

78W x 19D x 28½H in.
