

**TWIN/FULL
HEADBOARD/FOOTBOARD
RAIL SYSTEM**

PARTS LIST		
	PIECES	DESCRIPTION
A	4	Cross Support - Side
B	2	Cross Support - Center
C	2	Side Support
D	4	Plastic Feet

- 1) Lay out parts as shown in picture above.
- 2) Push 4 plastic feet onto the legs of the (A) cross support-sides.
- 3) Insert (B) cross support-center into the end of (A) without the leg with the push pins on the sides.
- 4) Squeeze the push pins and slide the pins in (B) to the holes in (A) for the desired size as shown below.

- Repeat sliding (B) to the correct hole in (A) in the remaining three pieces.
- 5) Squeezing the push pins on the side support (C) assemble one of the side supports to assembled cross rails. Repeat for the opposite side.
