

*our Teak*

OUR OUTDOOR FURNITURE PIECES ARE MADE WITH GRADE A TEAK, THE HIGHEST QUALITY TEAK WOOD.

GRADE A TEAK REFERS TO WOOD THAT IS TAKEN FROM THE HEARTWOOD OF A FULLY MATURE TREE, MAKING IT THE MOST DURABLE AND MOST RARE FORM OF TEAK WOOD.

YOU CAN DISTINGUISH GRADE A TEAK BY ITS UNIFORM, GOLDEN BROWN COLOR, CLOSE GRAINS AND GLOSSY SURFACE.

OVER TIME WHEN LEFT OUTDOORS, THIS COLORATION CHANGES AND TEAK BEGINS DEVELOPING A SOFT GREY PATINA THAT ADDS TO ITS NATURAL BEAUTY.

WITH PROPER CARE, INCLUDING LIGHT SANDING, CLEANING AND APPLYING QUALITY TEAK OIL, TEAK CAN LAST FOR DECADES.
