5 Light Chandelier

With seeded glass and a contemporary finish, the simplicity of this collection is suitable for transitional to modern interiors. Bold, graphic lines create the open cage design, while shining chrome accents provide contrast against the smooth black finish. The rod-hung construction and square canopy complete the clean, modern look. This 5-light chandelier's generous frame makes it perfect for large open spaces, while its height allows it to work comfortably in 8-9' ceilings.
