Upholstered Back/Arm – 1 per chair

Hardware Kit including:

- Short bolts (1.5") Qty 4 pcs per chair – for the SEATS
- Long bolts (2.25") x Qty 4 pcs per chair – for the BACK/ARMS
- Washers: Qty 4 per chair (to be used with Short bolts)
- L-wrench

Assembly steps

1. Identify each of the parts
Upholstered Seats (front is straight edge, back is curved edge)
Upholstered Back/Arms
Wood Base
Hardware for seats – Short bolts with Washers
Hardware for Back/arms – Long bolts
2. Align the Back/Arms with the wood base and thread the Long bolts through the base.
3. SEMI-tighten the bolts. Do not fully tighten at this stage-wait until the seats are also in place.
4. Align the seat with the base and thread the Short Bolts with Washers through the base into the seats.
5. SEMI-tighten the bolts.
6. Fully tighten all of the bolts.
