

Installation

Hardware List		Hardware List	
 Table top	1	 Table legs	2
 8x16mm screw	16	 Washer	4
 Foot pad	6	 spare 4x15mm Self-tapping screws	10
 Hexagonal screw tap	1		

2

Place the table top on the ground horizontally and face down (note that the table top should not be in direct contact with the ground, cushion it with soft cloth), fix the support legs according to the instructions, turn it over and complete installation.

This is a spare screw hole. When the 8x16mm screw fails to be screwed in, the hole can be fixed with a 4x15mm self-tapping screw. Either way will do.
