

# INSTRUCTIONS MANUAL

1. Take the parts carefully out of the carton, and place them on a flat surface, make sure that the parts will not be damaged.
2. Pull the power supply wire out from the outlet box. Attach the mounting plate (C) to the outlet box using the mounting screws(D) provided.
3. Connect the wires. Connect the black wire to black wire, white wire and white wire and ground wire to ground wire using the wire nuts (B) provided.
4. Adjust the length of the screws (A) to suit your needs by the hexnuts (E).
5. Fix the Canopy (F) to the mounting plate (C) by the cylinder nuts (G).
6. Place the glass shade (H) over the socket, tighten it with the socket ring(I).
7. Install bulb (K) into socket.
8. You have now completed the installation of your fixture, enjoy.

***Please consult a qualified Electrician if you are not familiar with electrical wiring.***
