Read all instructions before starting assembly.

Step #1 Remove all the contents from the package checking that all of the components listed in "Packaged" are included. Prepare a flat, protected work surface where the product can be assembled.

Step #2 Carefully remove Drawer Assembly from Desk Body (A). Place Desk Body upside down on work surface area. Legs (B) are pre-fitted and letter-marked. Place Legs into corresponding positions by pushing protruding hanger bolts thru matching corner blocks. Attach one Flat Washer (E) and one Lock Washer (D) over bolt. Twist on one Hex Nut (C) and securely tighten*. Repeat procedure for remaining Legs and bolts. Securely * tighten all nuts using Open End Wrench (F).

Step #3 Carefully lift assembled Desk into upright position. (two people required due to weight) Place drawer assembly back into position.

(*) Caution: DO NOT OVERTIGHTEN.
