

Installation Notes

Step 1: Gather Tools

Collect towel rack components, screws, screwdriver, and a spirit level.

Step 2: Choose Location

Select a suitable location, use the level to mark a straight and desired height.

Step 3: Attach Wall Anchors

Drill holes and secure wall anchors to marked spots, ensuring they are level and tightly fastened.

Step 4: Install Towel Rack

Using the provided screws, secure the rack by aligning the slots or holes. Confirm stability and levelness before finalizing the installation.
