Important before assembly:

- ! Read these instructions carefully before assembling or using the product.
- ! Please check the contents of the boxes before attempting to assemble this product. The instructions will have a checklist of parts and fittings.
- ! It would be sensible to lay a rug or a carpet on the floor where you intend to assemble the product, to avoid scratches and damaging the product or the floor.
- ! Assemble the product as close to its intended final location/room as possible.
- ! Do **NOT** use any power tools as this may damage the frame.

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.

- During assembly, do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drivers for inserting screws, as this could damage the unit. Only use hand screw drivers.

Glue safety - Take care when using glue, please follow the advice below

Skin contact: Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

Eye contact: Rinse immediately with clean water for 15 minutes and seek medical advice.

If swallowed: Seek medical advice immediately.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.

General Care & Maintenance

Your furniture, if treated with respect and love, will last you a long time.
Each piece requires light maintenance to maximize its longevity.

Few quick tips before using this product:

- 1 Recommended weight limit for the table top is 30lbs and 25lbs for each storage compartment.
- 2 Avoid uneven weight distribution for long time as it may cause damage to the product shape.
- 3 Table top may not slide smoothly when table is overloaded by weight.
- 4 Check and tighten the camlock and screw periodically as it may loose over the time.

How to take care of it?

- 1 Avoid direct sunlight or use curtains or blinds to limit the sun exposure to the product.
- 2 Clean the product regularly with a dry, soft cloth.
- 3 Avoid using abrasive or liquid cleanser.
- 4 Avoid placing hot objects onto the table top surface
- 5 Spillage may damage the surface. Clean immediately with a dry cloth
- 6 We recommend using placemats or coasters underneath glasses, cups, bowls or plates to prevent scratches to the table surface.

NOTES:

When moving your product, carefully lift into place. Never drag or push the product across the floor as this will cause damage to the joints. If the product is used on hard flooring, such as wood or laminated floor, you must place some protection under the legs to stop the product from moving. If this is not adhered to, it could result in failure to the product that will invalidate the warranty.
