

CHANELL RECHARGEABLE ACCENT LAMP

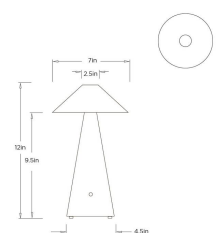

Capturing an unexpected balancing act of material and color, the Chanelle Rechargeable Accent Lamp pairs a slender cone of Calacatta Viola marble with a tapered antique brass shade. This cordless piece delivers a sophisticated, portable glow that highlights its rich, contrasting textures. The rechargeable lithium-ion battery provides up to 6 hours of use and fully recharges via a USB-C magnetic cable in approximately 6 hours, with an indicator light to signal when power is low.
