24" Slim LED Vanity Light

The VONN Procyon 24" LED Bathroom Vanity Light combines a clean linear silhouette with refined architectural styling, creating a sophisticated lighting solution for modern and contemporary bathrooms. Finished in elegant Silver, its streamlined form and integrated AC LED technology provide bright, evenly diffused illumination while maintaining an exceptionally slim, minimalist profile.

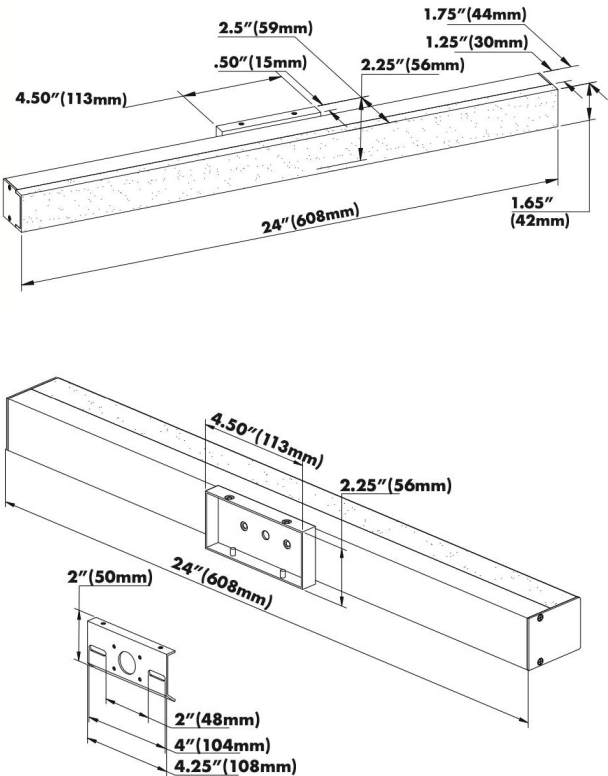

Designed for maximum versatility, the Procyon can be installed horizontally above a vanity or vertically beside a mirror, allowing it to adapt seamlessly to different bathroom layouts. Its versatile 24-inch profile makes it an excellent choice for single vanities, bathroom mirrors, powder rooms, dressing areas, and contemporary bathroom interiors. VONN confirms reversible installation for this model.
