3. Hardware

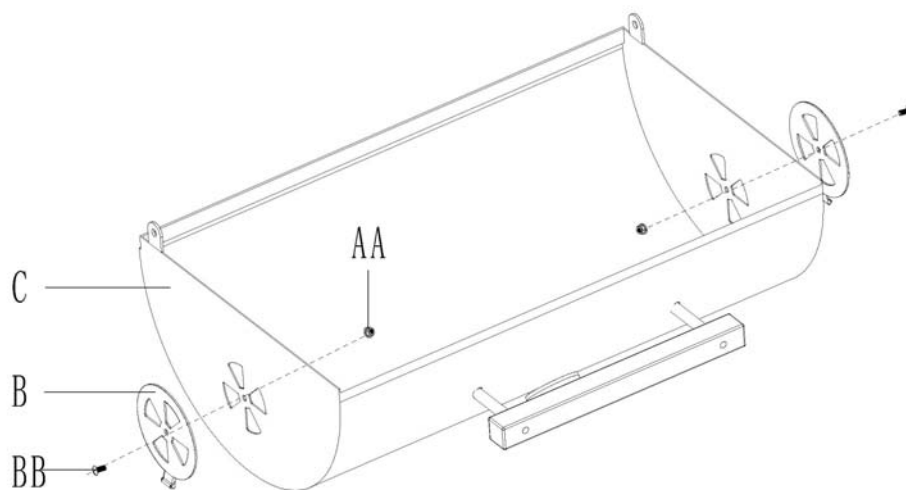

NO.	Hardware	Qty.
AA	M6 Nut	18
BB	M6X12 Bolt	22
CC	M6X85 Bolt	4
DD	M6X15 Bolt	10
EE	M8 Nut	2
FF	M6 Wrench	1

4. Assembly instruction

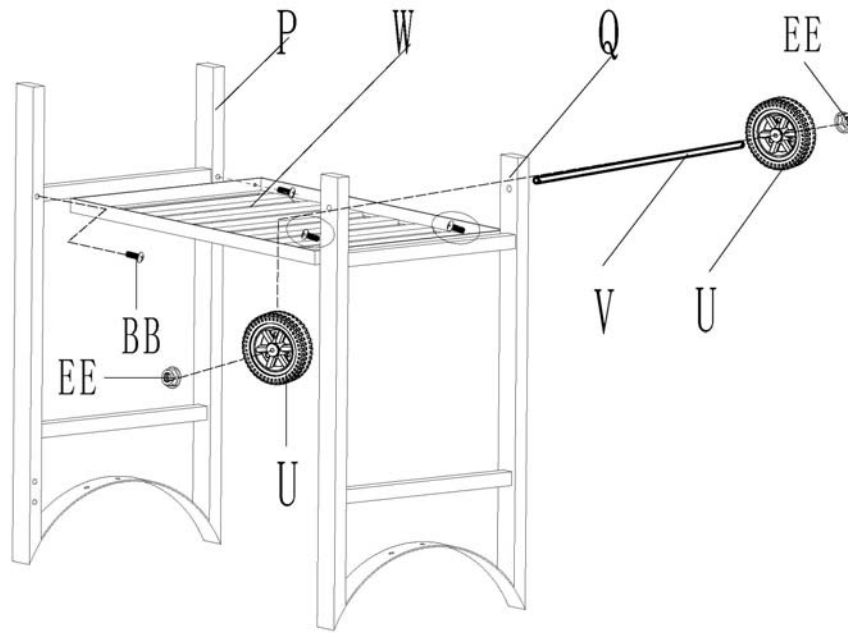

Step1. Attach the Thermometer (A) to the Grill lid (C). Then attach the handle (D) and handle support(E) to the grill lid(C), using 2 pcs of M6X85 Bolt(CC) and M6 Nut(AA)

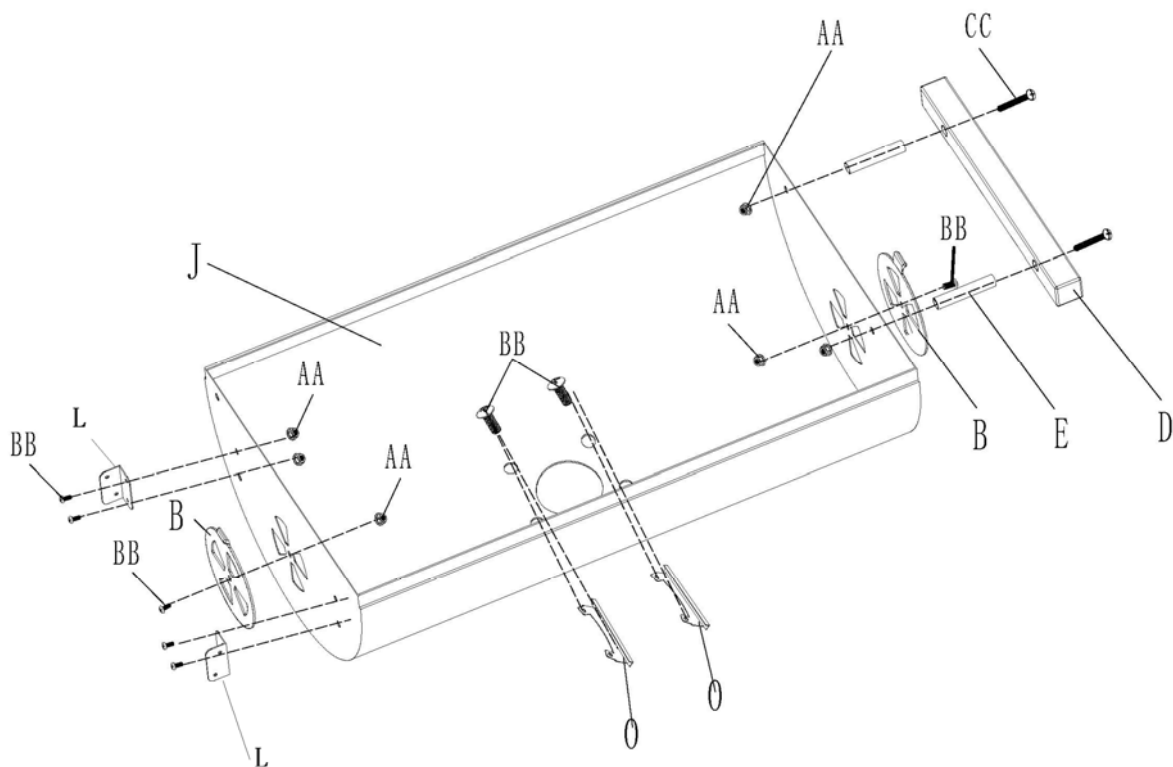

Step2. Attached the Air van(B) to the Lid(C), using 1pc of M6X12 bolt (BB) and M6 Nut(AA)each air van.

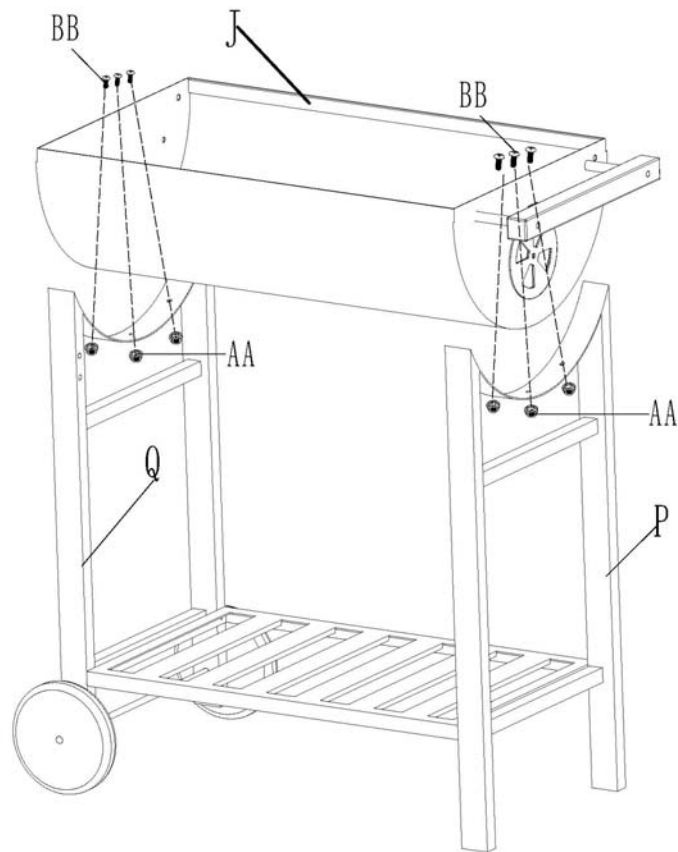

Step3. Attach the leg (PQ) to the Bottom shelf (W), using 4pcs of M6X12 bolt (BB). Then insert the wheel support (V) through leg (Q) and wheels (U), lock it with 2 pcs of M8 Nut (EE).

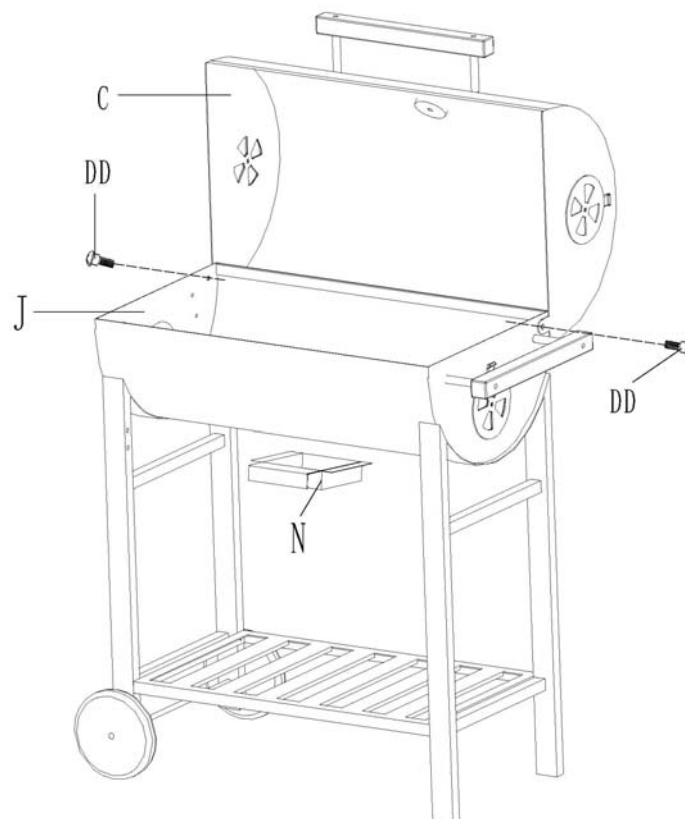

Step4. Attach the Air van(B) to the Grill body (J), using 1pc of M6×12 Bolt(BB) and M6 Nut(AA) each air van. Attach the side panel support(L) to the Grill body(J), using 2pcs of M6X12 Bolt (BB) and M6 Nut (AA) each support. Attach the handle (D) and handle support (E) to the Grill body (J), using 2 pcs of M6X85 Bolt (CC) and M6 Nut (AA). Attach the ash box support (O) to the Grill body (J), using 2pcs of M6X12 Bolt (BB) each.

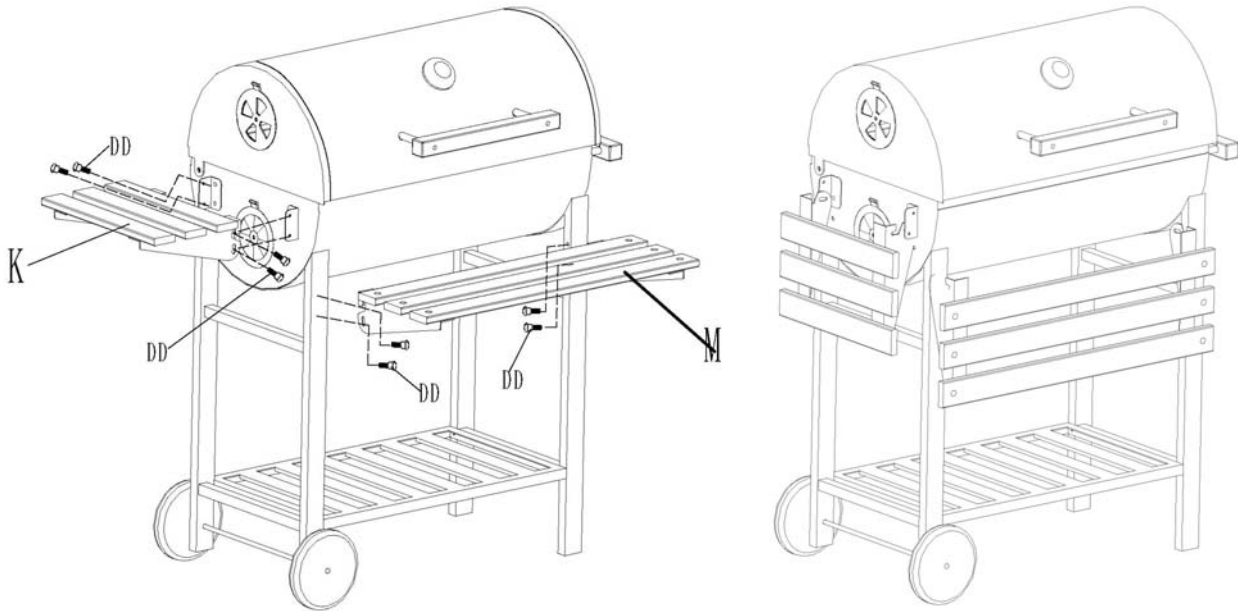

Step5. Attach the installed grill Body (J) to the leg frame, using 3pcs of M6X12 Bolt (BB) and 3pcs of M6 Nut (AA) each side.

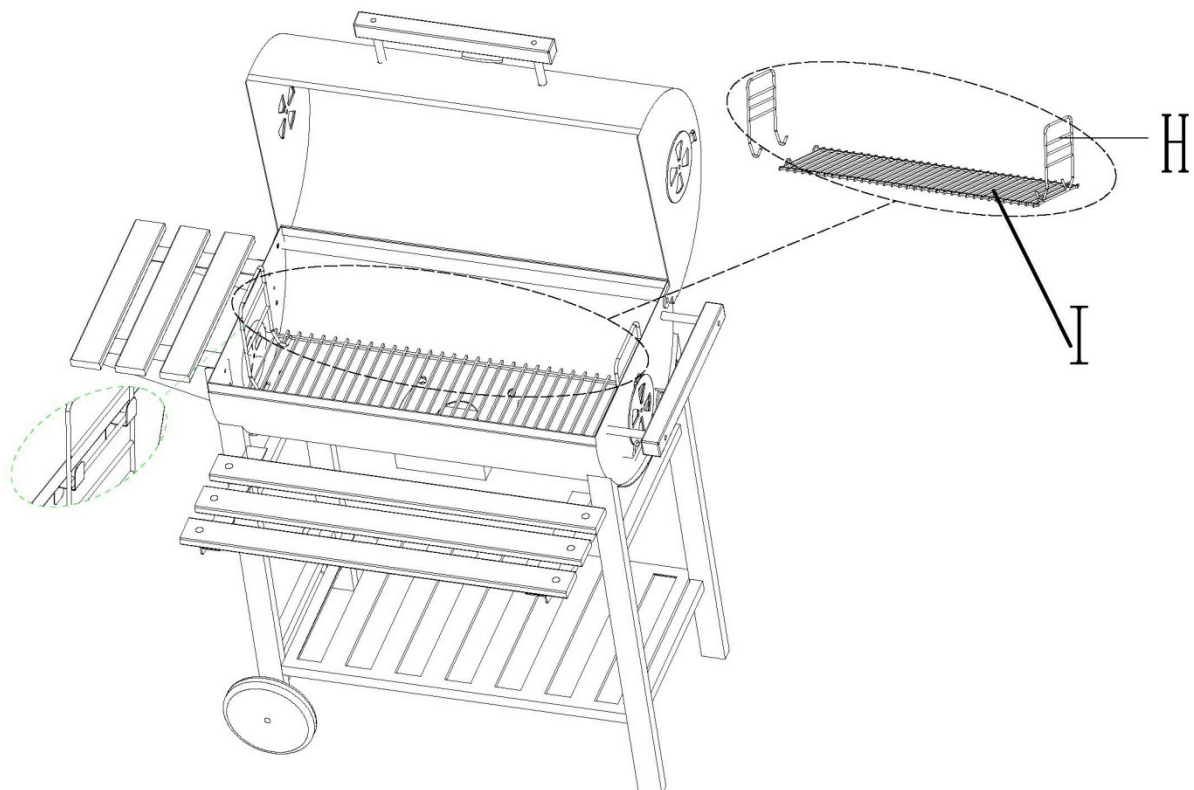

Step6. Attach the installed Grill lid (C) to the installed Grill body (J), using 2 pcs of M6X15 Bolt (DD). Then insert the ash box (N) to the installed ash box support.

Step7. Attach the Side shelf (K) to the installed shelf support, using 4 pcs of M6X15 Bolt (DD). Then attach the front shelf (M) to the installed legs, using 4 pcs of M6X15 Bolt (DD). First, attach the lower position bolt of each side, then attach the upper bolt with your hand. Tighten the bolt (DD) in the proper position (thread end) to make the shelf able to be folded.

Step8. Hang the charcoal handle (H) with the charcoal grill (I), then put the handle to the handle rack inside the grill body.

Step9. Insert the warming rack(F) to the grill lid and body, then simply put on the cooking grill(G).
Now your grill is ready for use!

To extend the life of your grill, clean it after each use and cover to protect it.

CLEANING

This outdoor grill should be cleaned on a regular basis to promote and longer product.

Do NOT attempt to clean this outdoor grill until the fire is COMPLETELY COOLED.

Do NOT clean any part of this outdoor grill with oven cleaner as it may damage the finish.

STORAGE

1.Do not move or store this outdoor grill until completely cooled.

Carefully remove the coals and ashes and dispose in a proper manner according to local and state ordinances after the grill is completely cooled .

2.Cover the grill when not in use. Make sure that the grill is completely cooled before covering.

3.Store assembled in a location away from children and pets.

Note: If not in use, store the grill in a dry location to maximize product life.
