INSTRUCTIONS

Please refer to the installation steps on the right side or scan the QR Code below to watch the installation video.

STEP 1

Pull out the organizer towards you and press the release lever on inner rail to remove the organizer from the Slide-Frame.

STEP 2

Determine the installation position of Slide-Frame according to the instructions on the Mounting Template provided, then attach Slide-Frame U-Shaped Support Brackets to the fixed shelf or cabinet floor with ten screws provided.

STEP 3

Remove the template and place the organizer back into the frame structure slides.

- ① Move the metal switch to reset the Soft Close Mechanism.

- ② Slide the inner ball bearing carriage all the way forward to the stop for both frame structure slides.

■ Soft Close Mechanism Reset: Middle rail can fully slide into outer rail

■ Soft Close Mechanism Not Reset: Middle rail can not fully slide into outer rail

- ③ Insert the back end of the organizer rails into the frame structure slides and push the organizer into frame firmly.
