Base Type: E27

Light Source Included: No

Voltage: 230V AC

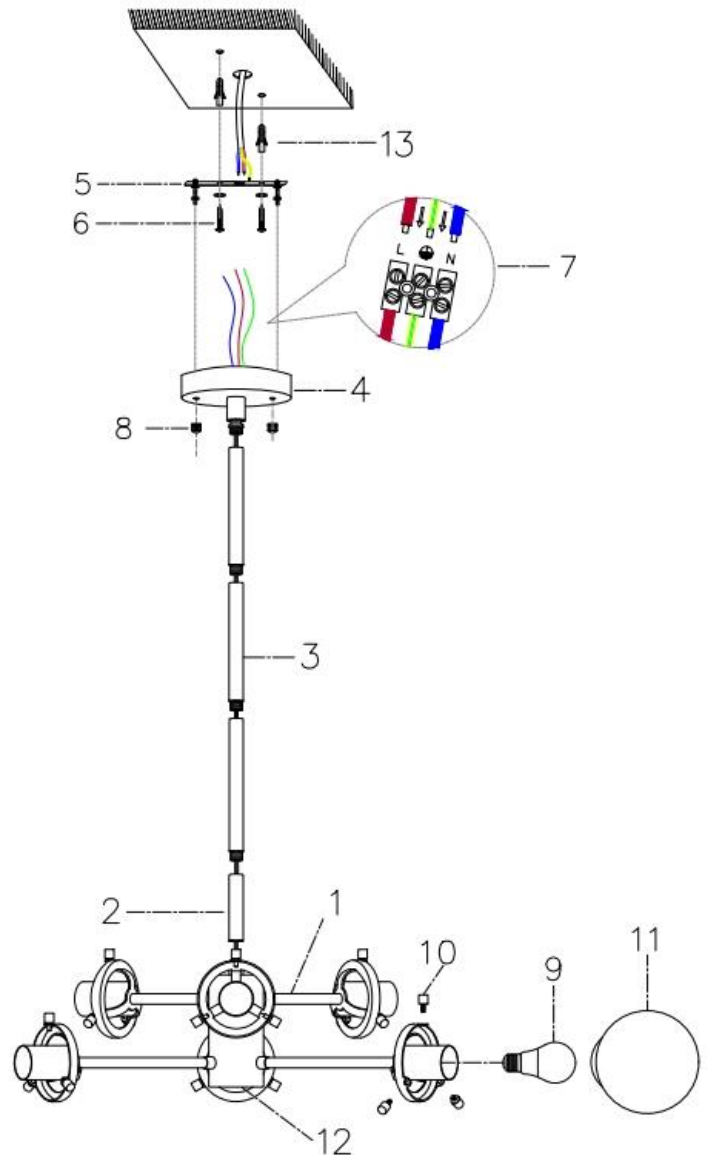

Wattage: 40W Max

Package includes

1 x Chandelier

1 x Accessories Kit

1 x User's Manual

Installation Instructions:

A. Start by inserting the wire from the light arm (1) into the chandelier body (12). Once it's inside, securely tighten the light arm (1) to the chandelier body (12).

B. Next, thread the main wire through both down rods (2) and (3). Adjust to your desired height, and then securely tighten down rods (2) and (3) to the chandelier body (12).

C. Pass the main wire through the center hole of the canopy (4), and then securely attach the canopy (4) to down rod (3).

D. Drill two holes in the ceiling and insert the expansion plugs (13) into the holes.

E. Use screws (6) to firmly attach the mounting bracket (5) to the ceiling.

F. Connect the fixture's live wire, neutral wire, and ground wire to the corresponding wires from the ceiling using the wire connector (7).

G. Secure the canopy (4) to the mounting bracket (5) using nuts (8).

H. Install the light bulbs (9) (please note that bulbs are not included).

I. Finally, snap the lampshade (11) onto the light arm (1) and secure it in place using screws (10).
