

# Echo Floor Clock 611318

---

Impart contemporary style to your space with the Echo grandfather clock. This pendulum grandfather clock is made from tempered glass and has LED lighting to illuminate the case.

**Modern Design:** This modern grandfather clock is made in the USA from tempered glass and polished stainless steel. It has contemporary details such as the slender cylindrical pendulum, which has a stainless steel finish for a sleek complementary look.

**Gloss White Dial:** The gloss white dial of this all-glass grandfather clock has hour markers and hands with a polished stainless steel finish. A continuous-sweep red second hand provides a touch of contrast to this distinctive 95th-Anniversary-Edition timepiece.

**LED Lighting:** Energy-efficient LED lighting illuminates the case of this pendulum grandfather clock. Control the light settings simply by touching the gloss-black metal base plate.

**Adjustable Levelers:** There are adjustable levelers under the bottom corners of this clock for stability on carpets or uneven floors.

**Quartz Movement:** This pendulum grandfather clock has quartz movement and requires one AA battery and two C batteries.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
