

BROOKLINE FEATHER MARINE BLUE 2X7 FISH SCALE GLOSSY CERAMIC MOSAIC TILE

Made from double-fired ceramic, the Brookline Feather Marine Blue 2x7 Fish Scale Glossy Ceramic Mosaic Tile is comprised of elongated, scallop-inspired shapes in a dark aqua glaze with a glossy finish. The overall effect adds intrigue to walls without overpowering them, for a modern mosaic that's easy to integrate with other styles.

BROOKLINE

Our Brookline collection takes the classic appeal of ceramic mosaics in geometric shapes and elevates it—quite literally—with a raised surface. Each tile's center is slightly heightened or patterned, adding unique dimensionality, while double firing and a high-shine glaze result in rich, saturated tones that reflect light beautifully.
