

INSTRUCTIONS: SKU# CL-DC2000 | 2000 LUMEN LED SOLAR WORK LIGHT WITH MAGNETIC BASE

IMPORTANT: PLEASE READ THESE INSTRUCTIONS CAREFULLY TO ENSURE THE SAFE AND EFFECTIVE USE OF THIS PRODUCT.

DETAILS:

- Battery Capacity: 3600mAh
- Charging Time: 4 hrs (approx.) via USB-C, 8+ hrs via Solar
- Light Operating Time: 2 hrs (high) 3 hrs (med) 4 hrs (low)
- Do not drop the lamp as this can damage and shorten the lifespan of the unit.
- Charging on a regular basis is advised to prolong the life of the battery cells.

PREPARING THE LAMP:

CHARGING THE LIGHT:

- **IMPORTANT:** Fully charge the light before first use. Make sure the unit is switched off before charging.
- Plug the provided USB-C connector into the charging socket on top of the unit.
- Plug the charger into a main USB 5V supply (not included).

USING THE LIGHT:

- Press the Power button to turn on High mode. Press again to change to Medium and press again for Low mode and press again for Red/Blue strobe mode. Press a 5th time to turn off.

USING THE POWER BANK:

- Connect a standard 5V USB cable to the unit and plug into your device.

NOTE:

- Disconnect from the main / 5V supply as soon charging is complete.
- Unplug the charger from the main / 5V supply. Unplug the charging lead from the unit.
- The light will operate continuously for approx. 2-5 hours on one charge depending on function being used.
- To maintain battery, charge monthly if light is not in use.
- Power bank capacity will diminish after using light.
- This product is not waterproof and is designed for damp use only.

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules.

EYES:

- **DO NOT look directly at the LED lights.**
- **DONOT remove the LED lights protective covering.**

CARE FOR YOUR PRODUCT:

This product has a **one-year limited warranty** from the date of purchase—this guarantees against failure due to factory defects, whether caused by materials or workmanship. The warranty is non-transferable and only pertains to the original purchaser. Proof of purchase is required for any repair or replacement, so please keep your proof of purchase receipt. This warranty does not cover normal wear and tear or damage due to misuse. Misuse of this product includes but is not limited to:

- Using outdoors in extreme weather conditions.
- Opening the product's housing.
- Any attempts to update, remodel or fix the unit yourself.
