ASSEMBLY GUIDE

Congratulations, you are now the owner of a brand new ergonomic chair!

To best enjoy the comfort of the chair, you have to put it together first! This assembly guide will take you through the assembly process. To make sure the assembly goes well, please follow the instructions, and **especially the important safety information.** It is possible to assemble the chair on your own, but it is recommended to have **a second person to make it easier and safer.**

Please check if there are any missing parts from the package before starting. If there is any issue, please don't hesitate to drop us an email and we'll help you out ASAP. If you run into any difficulty when assembling the chair, remember to check out the assembly video to see if you've missed anything. If you're unable to resolve the problem, just send us an email and our support team will assist you.

WARNING

To ensure proper assembly, please follow all steps and use all parts. Failure to follow this warning can result in serious injury to yourself or others.
