Note:

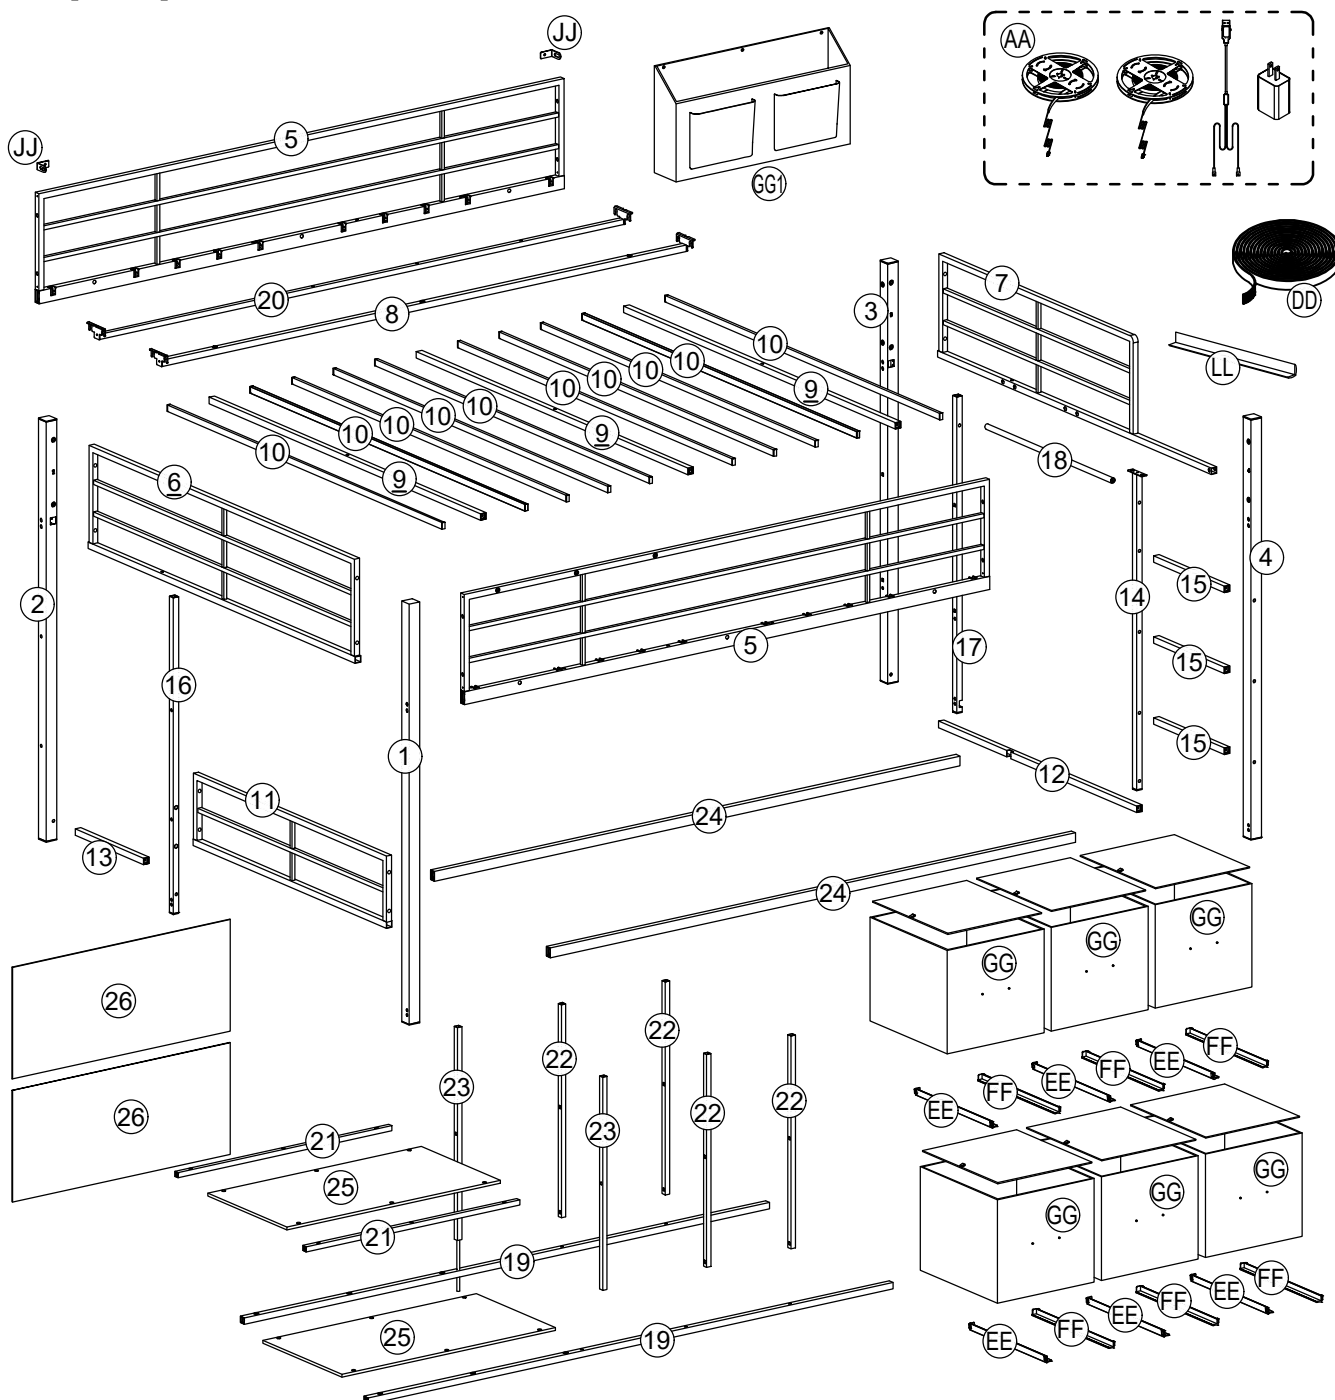

1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

It needs at least two people to install.

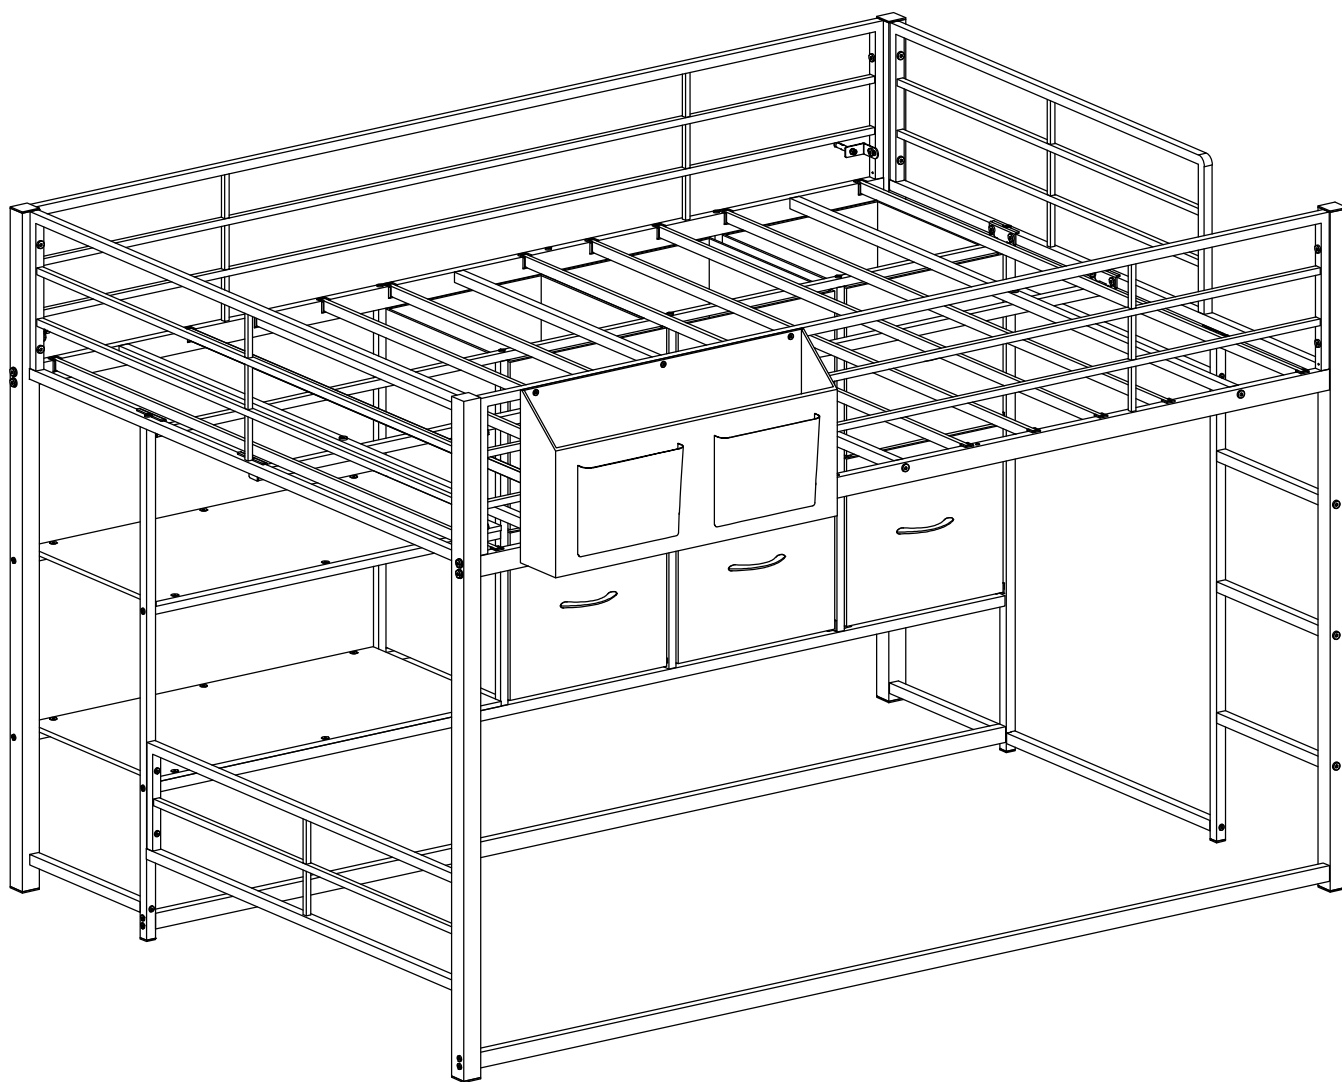

Before starting the assembly, you must read the whole manual and follow the instructions.

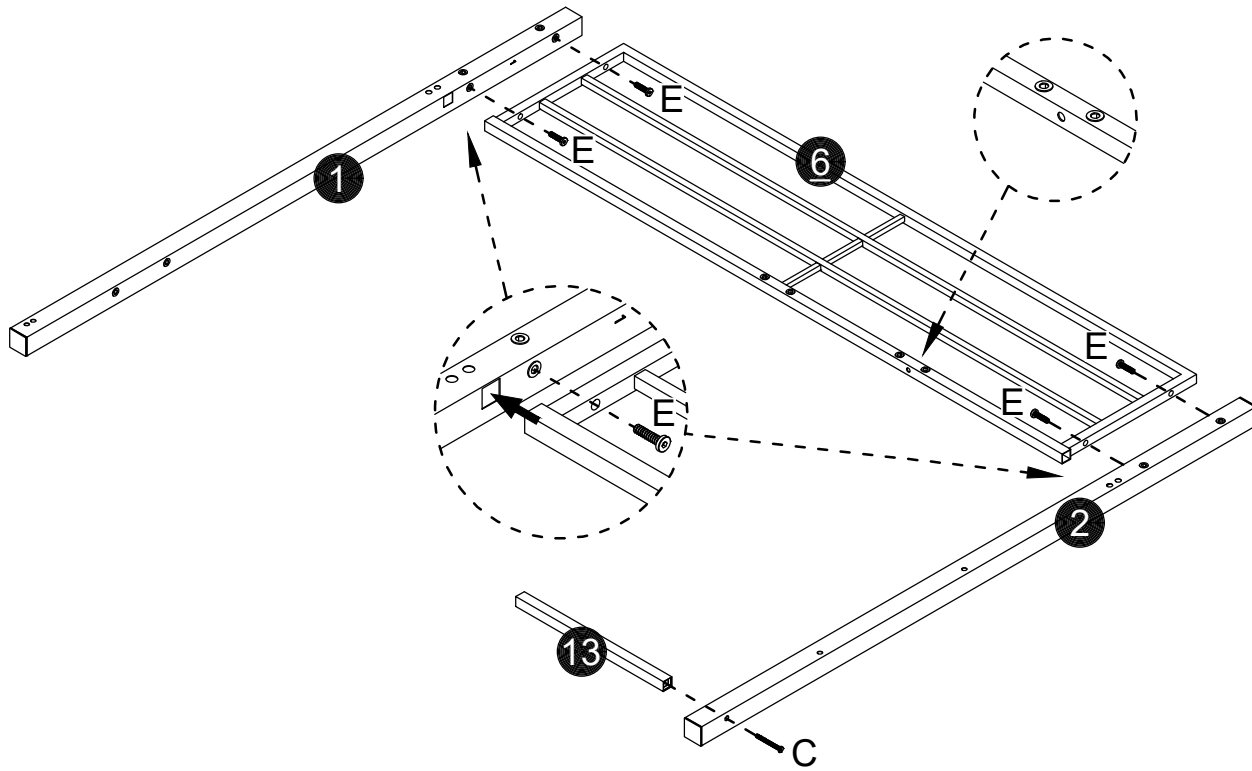

There are 2 ways to install this bed, each with different steps.
Please choose one type and follow its unique assembly method.

Type 1: Please refer to Step 1~ Step 27.
