All Accessories for Installation

Application

This 2 in 1 manual washing machine can be used to spin clothes weighing up to 4.41 lbs. It has a plugless design and is lightweight, so it can be used both indoors and outdoors.

Notes

1. The 2 in 1 manual washing machine is only suitable for drying underwear, socks, and other underwear, not for large garments or winter clothing (jeans, jackets, sheets, covers). Please check before you purchase.
2. Before purchase, please note that this product does not have a pulsator shaft.
3. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement. Please make sure you do not mind before you order.
