Your Satisfaction, Our Priority

We are committed to providing top-quality products and doing our utmost to ensure every customer is fully satisfied, offering replacement parts or services as needed.

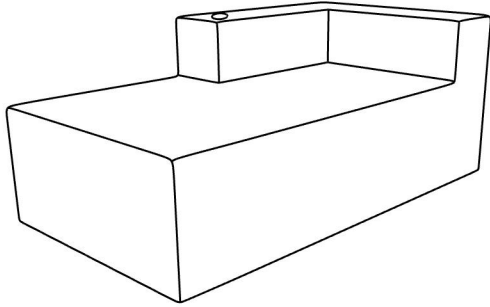

TIPS

1. Due to differences of light effects, the actual color of the upholstery may vary slightly from what is shown in the pictures.
2. No Assembly Required. This sofa bed saves you from the common hassle of complicated furniture assembly.
3. Due to package compression for better shipment, the upholstery may have wrinkles upon arrival.
4. After unboxing, take all parts out and gently pat them to help the sponge rebound and regain its original fluffy appearance.
5. Safety Warning - Keep children away from plastic bags for safety.
6. If your item arrives damaged or defective, please do not return it directly to the store. Instead, contact us as soon as possible, and we will provide a prompt and satisfactory solution, including replacement parts or a refund.
