PRODUCT DESCRIPTION

Designed to disappear, the low profile picture light features a canopy that both hides behind the artwork and serves as the mount. At less than an inch in diameter, the picture light shrouds the smallest light source available to provide substantial, full spectrum, and high quality lighting. Three lengths with 35 degree rotation accommodates artwork of varying sizes.

FEATURES

- Head rotates 35° up or down
- 110° beam angle
- Meets 2013 California Title 24 Efficiency
- Replaceable LED module
- For portable models, 8 foot cord & plug with 18" wire cover in matching finish included
- 70,000 hour rated life
