

Merrick Mantel Clock 635189

MANTEL CLOCK: This Merrick Mantel Clock features a warm gray finished case on select hardwoods and veneers to complement your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor clock is created to last. It has a sturdy frame to relieve stress in a busy household. Place it above your fireplace in the living room, office, or bedroom for a classic decorative accent piece.

HIGH QUALITY: The design is a home essential. Easily tell time with white traditional Roman numerals (IIII instead of IV), white minute track, antique white spade style hands, and flat glass crystal to stand out over the aged black dial.

MOVEMENT: It is powered by quartz movement and requires one AA sized battery.

HOWARD MILLER: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
