

Colorful U-Shaped Climbing Frame Installation Instructions

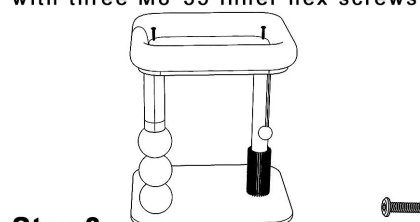

Step 1

As shown, use two M8*60 double-end screws to fix the U-shaped tube, sisal post, and sisal balls to Board 1.

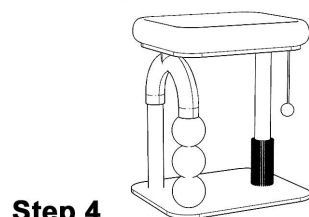

Step 2

As shown, place the sisal post, sisal balls, and scratching post onto the second board (Board 2) and fix them with three M8*35 inner hex screws.

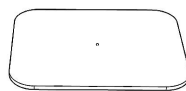

Step 3

As shown, secure Board 2 to the U-shaped tube and scratching sisal post using two M8*35 inner hex screws.

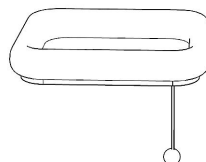

Step 4

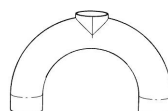

Installation complete.
