

Ovente Electric Kettle, Stainless Steel, BPA-Free, Cordless, Concealed Heating Element, Auto Shut Off & Boil-Dry Protection, 1.2L, Brushed Silver (KS22S)

\$19.99

Key Features

LIGHTNING FAST – Boiling water has never been this fast and easy with Ovente’s cordless electric kettle! It can boil 1.2L of water in just a matter of minutes, helping you cut back on energy bills.

FOR THOSE TIGHT ON SPACE – This lightweight (1.5 lbs) and portable (7.5 x 8 x 6 in) kettle is ideal for dorms, offices, shared spaces, RVs, and kitchens with small spaces. Plus, its cord can be retracted on its base for easy storage.

SUPER SAFE – This one features an auto shut-off and boil-dry protection: The kettle shuts off on its own when the pot has reached its boiling temperature and then turns off the heating element when there is no water in the kettle.

DELIVERS CLEAN WATER EVERY TIME – This electric kettle is made of BPA-free materials and has a concealed heating element. Hence, you won’t be bothered by toxic BPA particles and lime scale deposit buildup.
