## Step 1

Place frame upside down with tabs facing down & align holes with legs. Pay attention to where Steel Tabs are located.

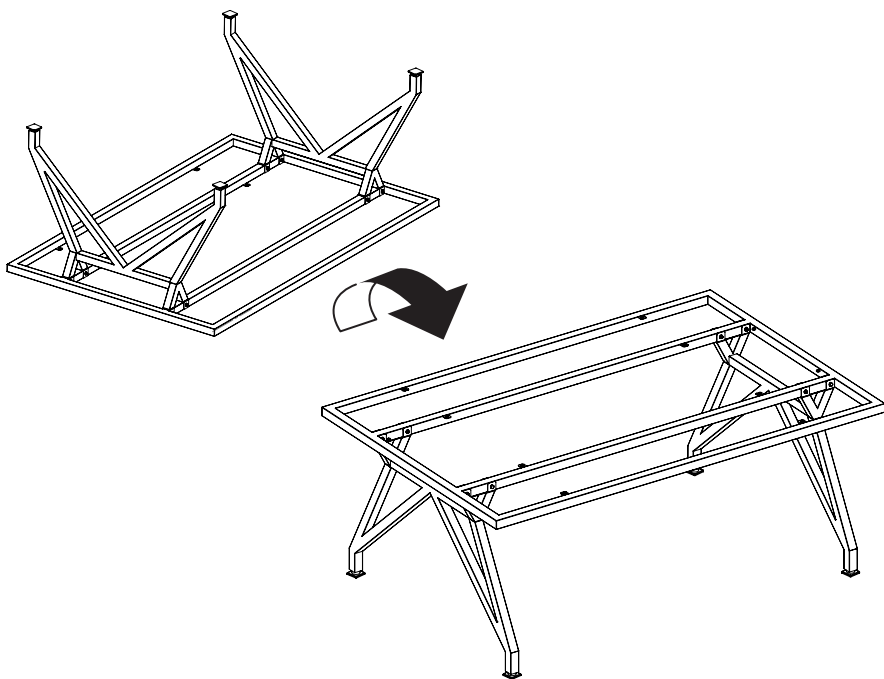

## Step 2

Insert bolts to attach legs as shown below. Fasten nuts using a ratchet or a wrench so there is no movement and legs are secure.

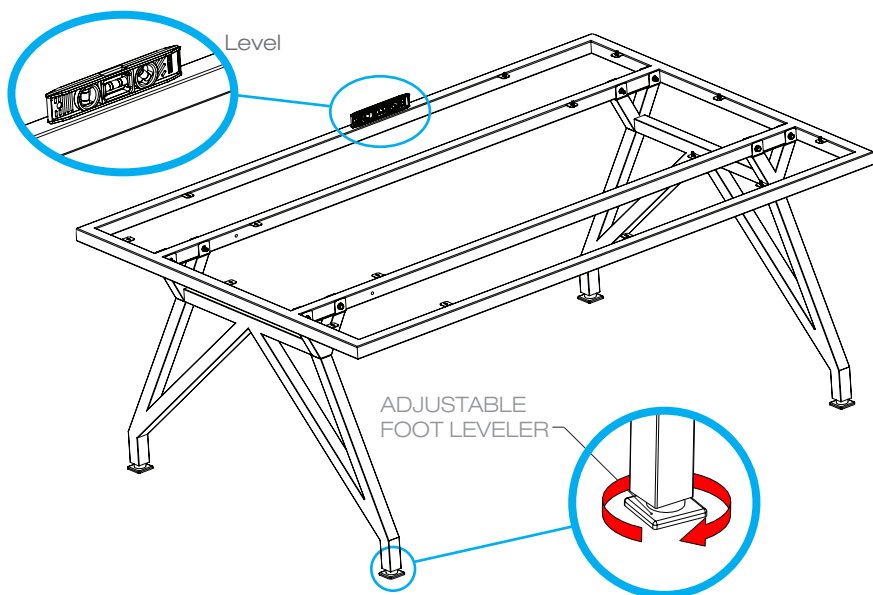

## Step 3

Flip frame over to begin working on table top assembly.

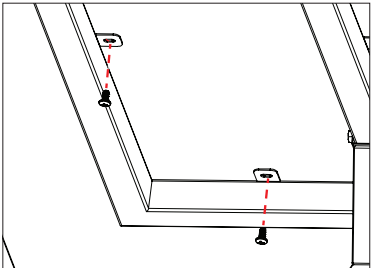

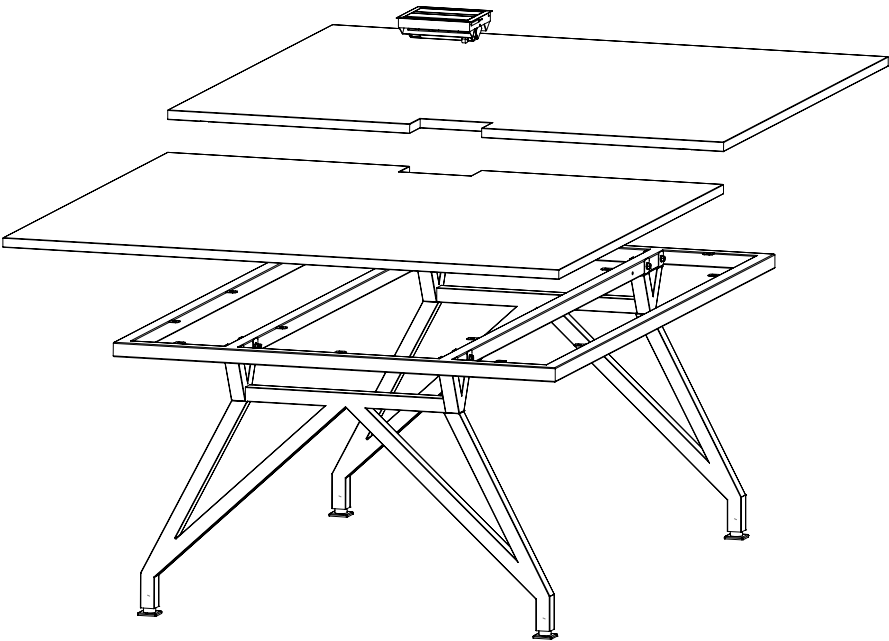

## Step 4

Level frame before adding table top. Twist feet at the bottom of legs to level desk.

# Step 5

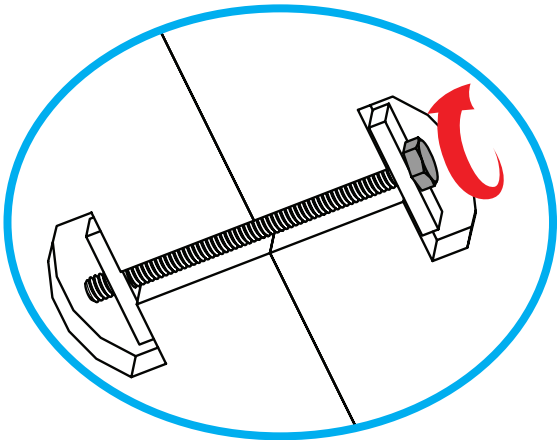

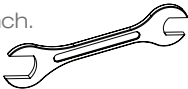

Table top assembly: Align tabs on frame with threaded inserts on the bottom of table tops. Use screws to attach table tops to the frame.

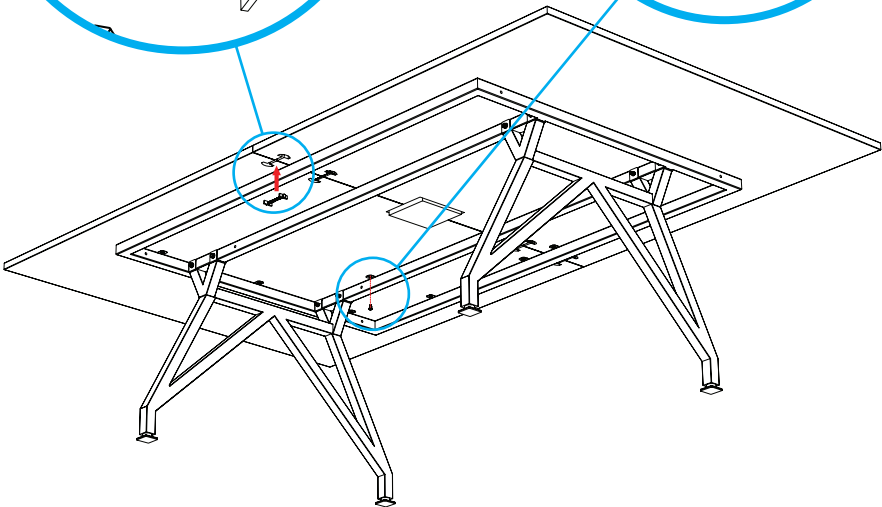

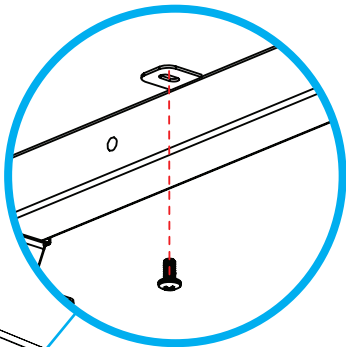

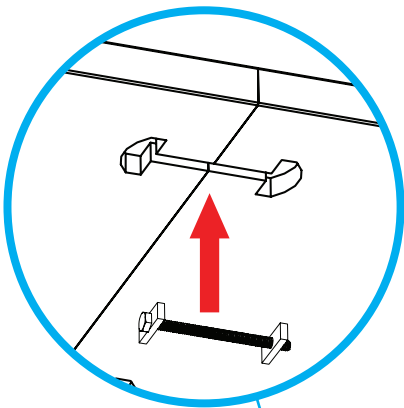

Install screws loosely, do not tighten to allow for adjustment in table alignment.

# Step 6

Tighten all (4x) Draw Bolts using 7/16" Open-End Wrench.

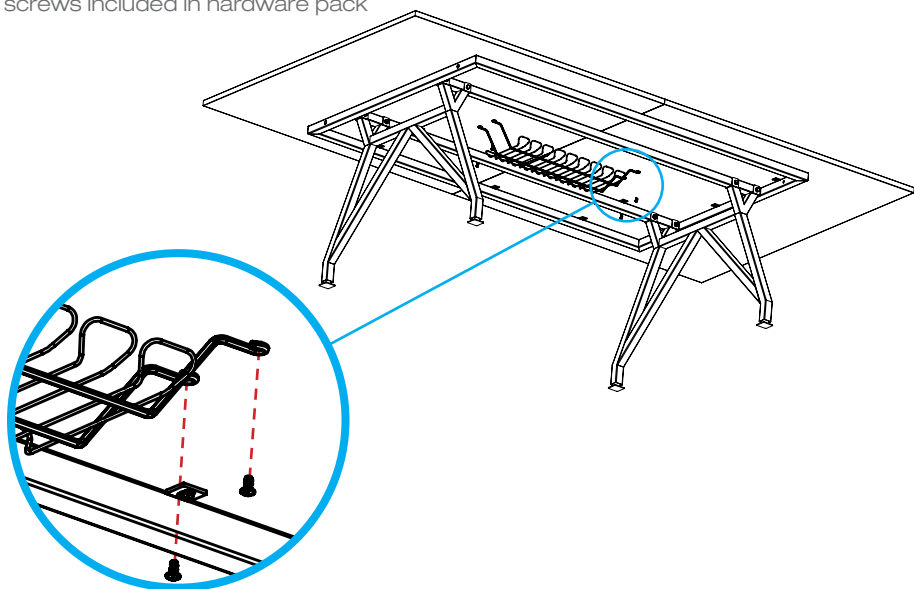

Lock down all screws to complete installation.

## Step 7

Install storage basket - Locate index holes on underside of table. Mount basket with four screws included in hardware pack
