don't hesitate to reach out to us. ▀

**NOTE:**

This brochure contains  
**IMPORTANT** safety info.  
Please read and keep it  
for future reference.

# MAINTENANCE AND WARNINGS

## Before You Start

### ***Please follow the steps below:***

- ⚠ Check the packaging for any damage, deformation, or water stains. If there is significant damage, please contact us promptly.
- ⚠ Unpack the box and compare the contents with the parts list and hardware list to ensure all components and accessories are present and complete.
- ⚠ Please read the installation instructions carefully to understand the installation steps and precautions to ensure proper installation.
- ⚠ Clean the installation area in advance and ensure the ground is level and there is enough space to avoid damaging the furniture or making installation difficult.
- ⚠ Lay a protective mat on the ground to prevent scratching the floor during installation.

### ***After-Sales Service***

- If you encounter any issues or need technical support during use, please contact our after-sales team. We offer long-term maintenance and warranty services.

## Precautions

-  This product is for indoor use only. Do not expose it to outdoor elements or high-humidity environments.
-  Keep the product away from high heat or open flames to prevent fire hazards.
-  Do not allow children to climb on the product, as this may cause tipping and result in personal injury.

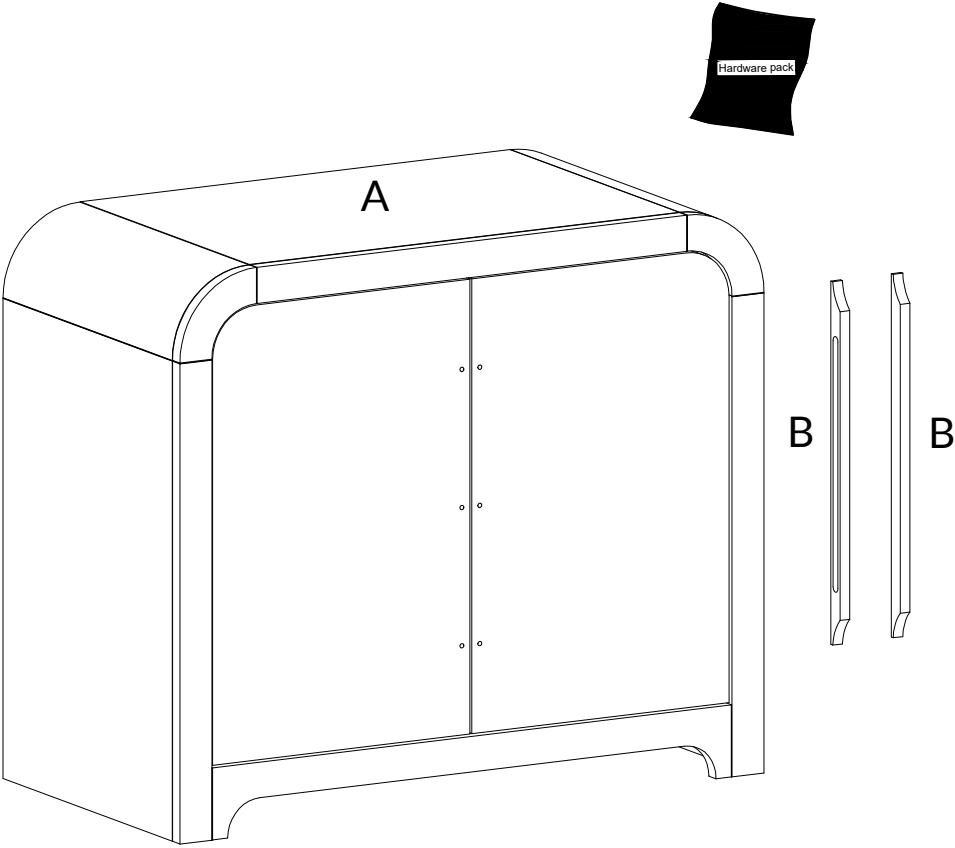

## Safety Warnings

-  If you notice any loose or damaged parts, stop using the product immediately and contact customer service.
-  Do not attempt to disassemble or replace any components yourself, as this may affect the stability and safety of the product.

### ***Daily Maintenance***

- Regularly clean the surface with a soft cloth to prevent dust accumulation.
- Do not use cleaning agents containing acids, alkalis, or corrosive substances, as they may damage the surface. It is recommended to use neutral cleaning agents or specialized furniture cleaners.
- Avoid exposing furniture to humid environments for extended periods. Use a dehumidifier or desiccant during humid weather.
- Avoid direct contact of furniture with water. If water is accidentally spilled, wipe it dry immediately.
- Avoid placing excessively heavy objects on the furniture: ensure the weight is within a reasonable load-bearing range.
- Avoid using sharp or rough items on the furniture surface to prevent scratches. Handle items gently when moving them.

| <p>⑦ x1</p>  <p>Not including</p> |                                                                                                              |                                                                                                             |

## Step 1

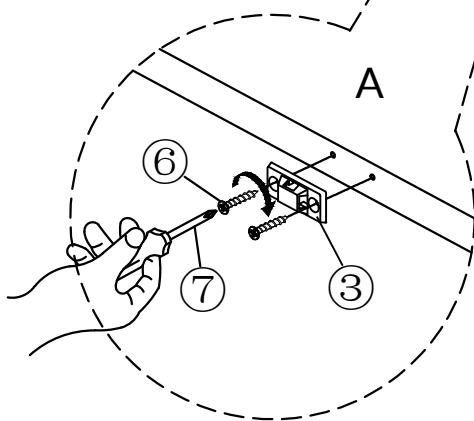

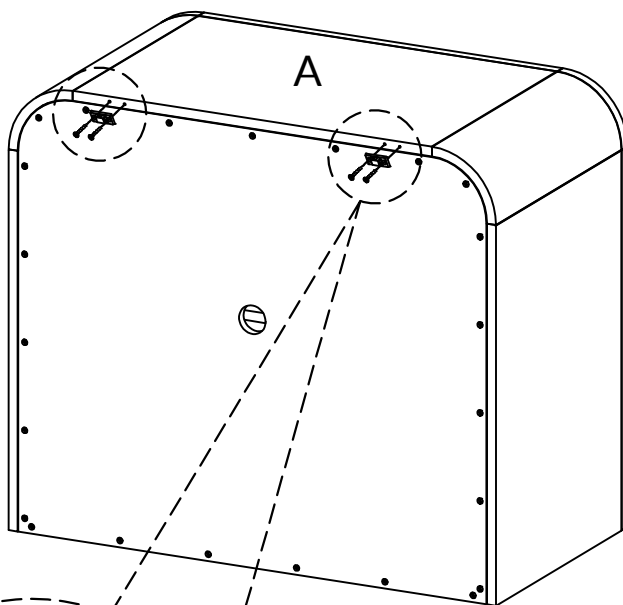

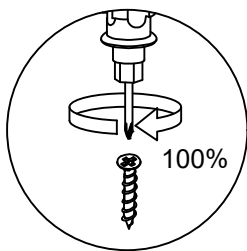

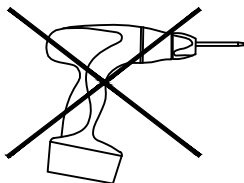

Install part B into part A, make sure all holes aligned and use screw ① to attach them, tighten screw ① with screwdriver ⑦.

|                                                                                     |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| ① x6                                                                                | ⑦ x1                                                                                 |
|  |  |
| D5/32x25mm                                                                          | Not including                                                                        |

## Step 2

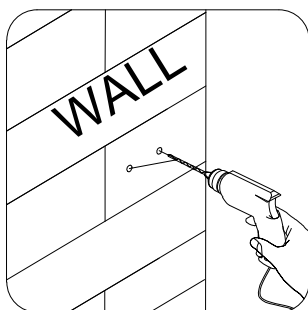

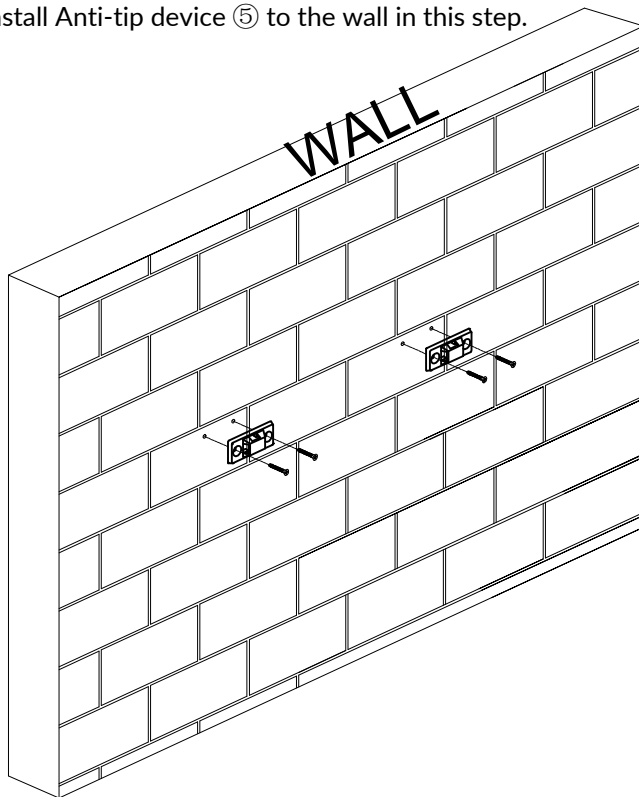

Install Anti-tip device ③ and tighten screw ⑥ with screwdriver ⑦.

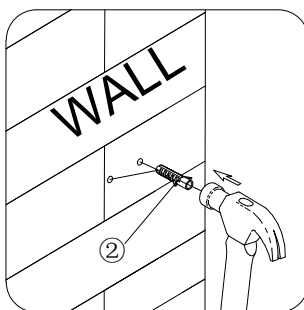

| ③ x2                                                                                | ⑥ x4                                                                                | ⑦ x1                                                                                 |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|  |  |  |
|                                                                                     | D3x20mm                                                                             | Not including                                                                        |

### Step 3

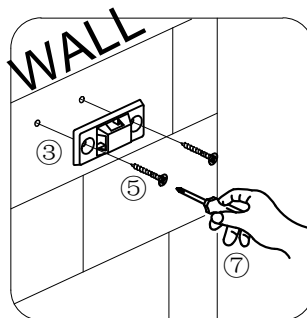

Install Anti-tip device ⑤ to the wall in this step.

1. Drill a hole in the wall with an electric drill.

2. Tap the plastic wall anchor into the hole with a hammer.

3. Secure the Anti-tip device ③ to the wall with screws ⑤

|                                                                                     |                                                                                                |                                                                                     |                                                                                                       |
|-------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| ③ x2                                                                                | ⑤ x4                                                                                           | ② x4                                                                                | ⑦ x1                                                                                                  |

## Step 11

### WARNING

**Children have died from furniture tipover.**

**To reduce the risk of furniture tipover:**

- ALWAYS install Anti-tip device provided.
- For use with televisions weighing 35 lb or less. Use with heavier televisions may result in instability causing tip-over resulting in death or serious injury.
- NEVER allow children to stand, climb or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- Place heaviest items in the lowest drawers.

# WARRANTY

- We strive to offer quality products, and we also try our best to satisfy every customer who orders from us with products or services as needed.
- Replacement parts can be purchased from our company if available.
- For returns, please check the return policy with the retailer or marketplace where you purchased the item.

## ***Are you having difficulty***

With assembly? Missing parts?  
Please send an email with your order No. to
