### 1 Light Wall Sconce (Chrome & Clear Glass)

Modern lanterns featuring a handsome beveled cage design make a modern, elegant statement. Clean geometry creates contemporary style with steel candles and candelabra bulbs encased in two glass options. The fixtures are offered in 3 finishes: Chrome, Gunmetal Bronze and White Gold. The gleaming Chrome finish adds a sleek, contemporary option to this open-caged collection. A darker option, the Gunmetal Bronze finish has warm bronze undertones and is perfect for all industrial or vintage aesthetics. The White Gold finish option softens the geometric form, creating a more delicate and transitional appearance. Glass fixtures are available with Clear Glass or Opal Glass shades. Popularly used in halls, stairways, entries and as accents, this eye-catching sconce can be used individually or paired to create soft task lighting.
