

DALE, OUTDOOR, WALL MOUNT

DESCRIPTION

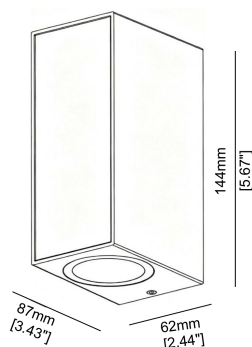

DALE brings natural warmth to the exterior wall with its striking textured wood grain finish framed by a clean matte black border. Its rectangular form projects light both upward and downward, washing the surrounding surface with a warm, inviting glow that highlights the richness of its organic texture. Where most outdoor wall lights lean purely architectural, DALE introduces a touch of nature — making it a fixture that feels as warm to look at as the light it casts.
