OVERVIEW

A touch-to-open drawer microwave that disappears into the cabinetry and loads from above — no door swing, no counter clutter. Clean TFT touch control, VEGA gold hardware accents on a stainless face, and ETL certification on a standard 120V circuit.

KEY FEATURES

- Touch-to-open, easy-glide drawer — no door swinging into the room
- Loads from above at a comfortable, reachable height
- TFT touch control with Microwave, Air Fry, Functions & Special modes
- 2.1 cu. ft. usable capacity
- Installs below counter, in cabinetry, or under a wall oven
- Brass-tone VEGA hardware on designer stainless

30" SMART DRAWER MICROWAVE

MWD-30-SS · MWD-30-BS · MWD-30-SS-VEGA · MWD-30-BS-ORION

**Drawer, not a door**

Opens at counter height and pulls toward you — no reaching over a hot dish at eye level.

Turntable-free cavity

A flat floor takes rectangular dishes end to end and wipes clean in one pass.

Full-touch TFT control

Power levels, presets and auto-defrost from one display, with soft-close travel.

Built-in or bottom-mount

Sits under a counter or beneath a wall oven in a matched stack.

One finish system

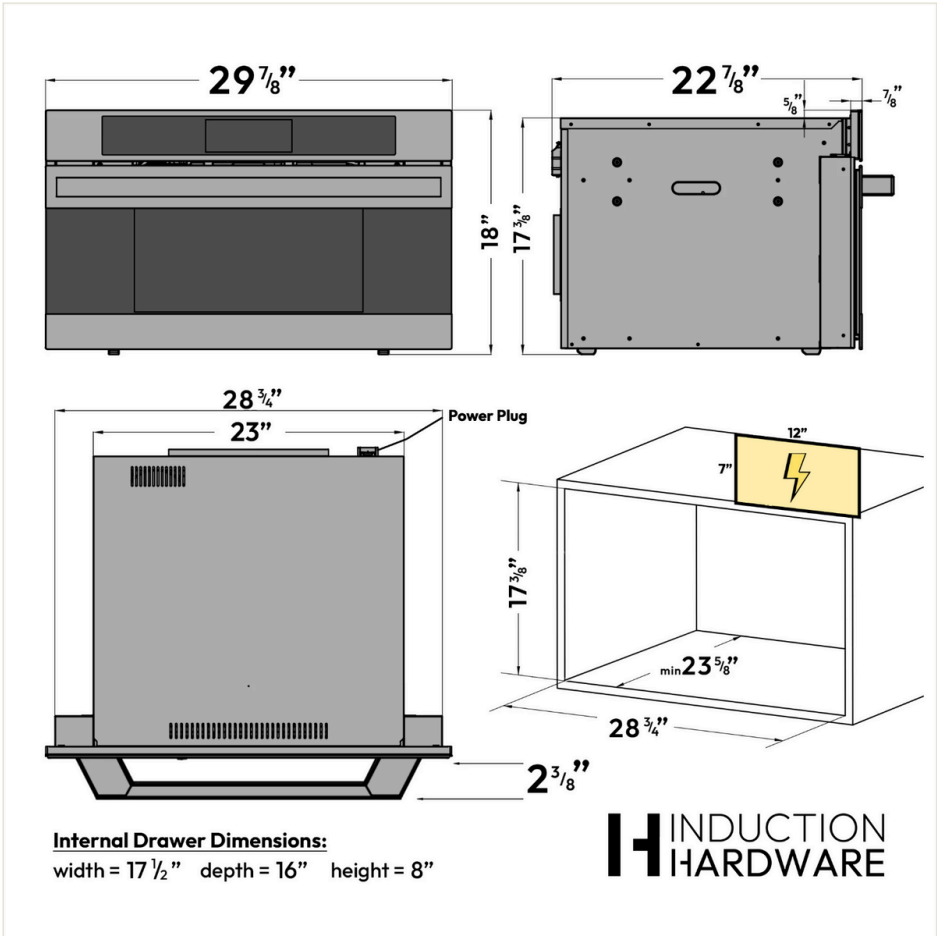

Stainless and Signature Black Stainless across every category, with Celestial Edition gold hardware.

Lifetime parts warranty

Parts covered for the life of the appliance, backed by the Restore & Renew refurbishment program.
