

# Picture This Tabletop Clock 645553

A photo clock can serve as a reminder of those you love. This digital Alarm & Table clock exhibits all of the hallmarks of a modern-day classic, from its deep, versatile color to its clean lines and straightforward design. Its built-in photo frame allows you to display a special person or place.

**Designed for Ease:** At its core, this LCD alarm clock is all about simplicity. The understated colors blend into your existing interior design, making it perfect for your bedside or office desk. Large LCD numbers are easy to read. It also includes a display depicting the month, day, and current temperature in both Fahrenheit and Celsius.

**A Photo Finish:** This clock is designed to accommodate either a vertical or a horizontal picture. If you turn the clock, the LCD display rotates so that you can easily read the time and date. It accommodates standard 3.5" x 5" photographs and also offers a snooze feature so you can catch some sleep before starting your day.

**Quartz Movement:** This clock uses quartz, battery-operated alarm movement.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
